Opportunity,
Responsibility, Excellence

The Cherwell School is a high performing and oversubscribed comprehensive school in Oxford (1900 students on roll, including 540 in the Sixth Form). We achieved GCSE progress results in the top 5% of all schools in 2017. We are pleased that we hold an 'Outstanding' rating by Ofsted as we feel this is a fair reflection of the school, not least as we recognise that we have the capacity to develop and improve further. We consider ourselves to be a school which has at its heart "opportunity, responsibility, excellence" and we aim to make this a deeper reality for all of our students and staff in the years to come. Our aims are supported by our designation as a National Teaching School and as a School Centered Initial Teacher Training provider. We are committed to the professional learning and career development of our staff and work in conjunction with the River Learning Trust to raise standards.

We are seeking to appoint an enthusiastic and committed colleague who enjoys working with young people and who has a genuine excitement for excellence in learning and the teaching of Geography. Although this is a temporary role in the first instance, there is potential for this to become a permanent position for the right candidate. This is a fantastic opportunity for an individual who is passionate about the provision of a rich learning experience for students. Should you wish to be part of our future, we welcome your application.
