The Geography Department

Geography is taught by a team of enthusiastic, well-qualified and experienced teachers (five full-time and two part-time). The team's passion for Geography is evident in the breadth of topics covered across the age ranges and the continual development and sharing of innovative schemes of work. All members contribute significantly to curriculum enhancement through field trips, departmental societies and other means.

The department occupies its own complement of rooms; a departmental office, an IT resource suite and four classrooms (all with wireless laptop connections and projectors). It is well resourced with books, map extracts, videos, DVDs and extensive fieldwork equipment. A healthy budget allows external workshops and trips to geographical lectures across London.

Curriculum

Geography is a compulsory part of the curriculum until the end of Year 9. In the Lower School, the department has its own syllabus, which aims to introduce students to a wide range of physical and human geographical concepts.

Beyond Year 9, Geography is a popular option at GCSE (over 270 candidates across Year 10 & 11) and A Level (over 50 candidates). Boys follow the Edexcel A at GCSE and the Edexcel specification at A Level. As an alternative to the A Level course, both the Higher and Standard Level International Baccalaureate are offered.

Fieldwork forms an important part of our teaching. All AS Level students attend a four-day residential field course in Swanage. The Lower Sixth IB is taken on a residential trip to Northern France and Belgium. A senior enrichment trip is offered each year to Year 10 & 12 students, to locations such as Iceland, the Azores and Sicily. Enrichment trips are also offered to Year 8 & 9 to Dorset and Kew Gardens. Additional day outings are organised for the completion of GCSE fieldwork on the Sussex Coast and central London.

Academic Results

Geography is a leading department within the School and has enjoyed excellent examination results in recent years. At A Level, the A - B pass rate is frequently over 78%, while at GCSE the A* - B rate is 99%.
