Jubilee Primary School is based in a buzzing and diverse area of Hackney. Our children come from a great variety of cultural backgrounds and we are proud of the inclusive and respectful community we have created here. We have high expectations for every child and believe we give them the best possible education so that they can thrive not just academically but creatively, emotionally and socially. We want to widen children's horizons by giving them enriching experiences at school. We strive to set them up for future success by giving them the skills and attitudes they need to thrive in the modern world, such as: teamwork, communication, tenacity and creativity.

However, for many of us, the thing that makes Jubilee so special is its staff. You will find a friendly, supportive and talented team here. We are passionate about education and work hard to make a difference in children's lives. At the same time, we haven't forgotten to enjoy ourselves at work.
