DEPARTMENT INFORMATION

Details of the Post

This is a full-time maternity leave contract from September 2018 until 5 April 2019 (or earlier depending on return of the postholder). It will be paid at the appropriate point on the Teachers' Pay Scale.

The English Department at Crispin School

English is taught by a team of qualified specialist teachers in well-resourced rooms. We have our own teaching block, which also houses an inviting and well stocked library space manned by two part-time librarians.

The Department's success over a number of years can be attributed to quality first teaching, excellent relationships with students and close, collaborative team work. Our dedicated and hardworking staff currently consists of six full-time specialist English teachers based in their own rooms led by the Head and Second of Department. There are also three part-time teachers working in the team.

Teaching and learning are at the heart of what we do and our Department is fortunate enough to have a comprehensive range of interests and teaching experience. As a consequence, the potential candidate can expect to share and develop their skills as part of the team, raising achievement and aspirations in English.

In terms of curriculum enrichment, we provide a range of opportunities for our students. These include: theatre trips, visits to London and Stratford to support our GCSE Literature curriculum, Public Speaking competitions, participation in World Book Day activities and a Primary Transition project- CSI Day.

Key Stage 3

Students in Years 7, 8 and 9 follow a programme of engaging and challenging modules, which cover the core areas of reading, writing and oral communication. In the summer term of Year 9, students begin their GCSE English Literature course, although we do see the whole of Key Stage 3 as part of a five year plan to prepare students for their final examinations. One period per fortnight is a dedicated Literacy lesson, during which students spend some time reading in the library and working on the key skills of spelling, punctuation and grammar.

Key Stage 4

Currently, all students are entered for GCSEs in both English Language and English Literature. The course is an integrated one and we move between the two subjects fluidly. Students also complete a Spoken Language endorsement at the end of Year 10. The Department has a high level of success in external examinations and is well thought of by both students and parents / carers. In 2017, the Department helped 76% of our students to achieve 9-4 grades in English Language. Media Studies is being introduced in September 2018.

Further Opportunities

Crispin School has robust links with the Mid Somerset Consortium for Teacher Training, with our English teachers providing subject training for trainee teachers. As a Department, we aim to share our enthusiasm for English in a number of ways. Transition work with the local primary schools is a strong focus within the department; this enhances primary and secondary liaison and enables us to bridge the gap between KS2 and KS3 English.

WELCOME TO STREET

Crispin School is a secondary school on the eastern edge of Street, a large village in Somerset with a population of around 12,000. It is situated on the Somerset Levels close to Glastonbury, Wells and the Mendips. The village has an interesting history with evidence of Roman occupation. Street is home to Clarks, the world famous footwear retailer. Clarks still has its headquarters in Street but shoes are no longer manufactured in the town. Much of the Street site now houses the popular and thriving designer outlet shopping complex of 'Clarks Village'.

Somerset generally is a warm and friendly county and Street is no exception. The village itself contains a good range of leisure facilities including a theatre which hosts live performances and a wide range of films, sports facilities and an open air swimming pool. The Glastonbury Festival also takes place very near to the village. There are also a good range of local shops. As one resident of Street said 'if you choose you can walk to pretty much everything you need'. There is easy access to the coast and there are a number of National Trust properties in the area as well as nature reserves and areas of outstanding natural beauty.

As well as being located in a beautiful part of Somerset, Street is well connected by road being near to the M5, A303 and on a number of bus routes. There are also nearby rail links to London, Bath, Bristol and Devon and Cornwall. Bristol Airport is also close with a wide range of destinations from Iceland to Egypt! There are a number of interesting towns and cities nearby including Glastonbury, Wells and Frome. A little further afield one can easily reach the likes of Bath and Bristol which are both major European cities and home to a very wide cultural and sporting life including excellent music venues, theatres, cinemas, restaurants and professional sports clubs including football and rugby.

Housing is still relatively affordable in Street and many of the surrounding towns and villages. Many colleagues talk of how the area is a safe, yet vibrant area to bring up families with a range of good schools and a college which shares its site with Crispin. Yet at the same time there are a myriad of excellent leisure opportunities and major cities within an hour's travel.
