

Dear Applicant,

Thank you for your interest in The Holmewood School, London, a school for international and local children diagnosed with high functioning autism, Asperger's, social and language communication difficulties.

Our philosophy is founded on a desire to make a difference. At THSL we ensure youngsters have every opportunity to achieve their full potential in life, irrespective of any specific learning difficulties they have. This commitment is an intrinsic part of our philosophy at THSL. It is at the heart of everything we work towards.

Our aim is to enable every child to flourish by encouraging and building upon their unique strengths and interests. Pupils are supported to develop and deploy strategies to overcome and cope with their difficulties. It is recognised that every child is different, and every individual child is always our starting point. In addition to academic achievement the focus at THSL is on developing every child's social, emotional and personal development. This is supported by ensuring every child strengthens their independent and living skills which are key to building their confidence and self esteem.

At THSL, every child has access to a team of skilled teachers, therapists, and professionals who work together to ensure each child has a learning programme tailored to their specific needs. Families are offered the support and advice they need to feel confident and informed about their child's needs and future prospects.

This is an exciting time for THSL as we embark on a journey to create a centre of excellence that fully supports our pupils and equips them for a successful future ahead.

I look forward to meeting you and welcome an application.  
With warm wishes

Lisa Camilleri  
Head Teacher
