

**The appointment of
Teacher of Mathematics (Part time)**

Required for September 2018

Thank you for requesting information regarding the post of **Teacher of Mathematics (Part Time)** at Chelsea Academy. We hope that this application pack, along with the Academy's website, gives you all of the information that you need to help you apply for a post here. Chelsea Academy is a great place to work and visitors often comment on the excellent behaviour of our students, the friendliness of our staff and the fantastic Academy building. Our aim is simple; to provide the best quality education for all the students that attend the Academy, to produce happy and employable young people and to become one of the best schools in London. If you would like to join us on that journey, then we would love to hear from you.

We are currently graded outstanding by Ofsted and SIAMS, are a World Class School and are a member of the Leading Edge network. In the summer we achieved our best ever GCSE and A level results in terms of both progress (top 10% nationally) and attainment. However, we are much more than a successful, academically focused school. We believe in educating the whole child and our Christian values of joy, perseverance, servant leadership, charity and forgiveness underpin everything we stand for. It is important that all of our staff, whether they are teachers or not, work closely with our young people and ensure that they are successful in all that they do. We are looking for staff who will always go the extra mile for our young people and believe that education happens both in and out of the classroom.

Chelsea Academy is one of the few schools in the country with Investors in People Gold, our staff are friendly and supportive and we offer a whole range of professional development opportunities no matter what stage you are at in your career. We want all of our teachers to be outstanding and so offer unrivalled professional development and support. This includes a CPD session every week (including opportunities to regularly visit other schools for newly qualified teachers) and a thriving in house Lead Practitioner team that coach and support staff across the Academy. Through the Chelsea Academy Way for Learning we have a simple, flexible and consistent way of developing outstanding teaching. Most of our senior and middle leaders started as teachers with us and have developed into highly talented practitioners. We offer internal and external training through NPQML, NPQSL and Teaching Leaders - your professional development is important to us. Academy staff have access to a wide range of benefits these include a private healthcare package, 24 hour GP service, physiotherapy and a confidential well-being support line as well as a laptop and free lunch.

We are a diverse inner city, science specialist academy based just off the King's Road in Chelsea and are co-sponsored by both the London Diocesan Board for Schools and the Royal Borough of Kensington and Chelsea. Chelsea Academy combines traditional educational values and high academic and behaviour standards with an innovative approach to learning and teaching. The Academy's specialism is the sciences, and as such we have strong links with local organisations such as Imperial College, The Science Museum and Chelsea Physic Garden. As a Church of England sponsored academy we welcome staff, students and parents from all faiths but expect all employees to have regard for our Christian values that are demonstrated through the taught and non-taught curriculum.

The Academy is seeking to appoint a highly motivated and innovative **Teacher of Mathematics (Part Time)** who is committed to maintaining a consistently high standard of teaching and learning. Applications would be welcomed from newly qualified or experienced teachers. The successful candidate should be a confident A Level teacher who would be able to teach both Core and Mechanics content from the new A Level specification.

Our Mathematics Department is high performing, friendly and supportive. Our results in terms of progress and attainment have been significantly above national averages for the past three years. We are a member of the West London Maths Hub and are actively participating in the national mastery programme, are currently undertaking A Level research with Pearson and UCL and will be working with the Education

Endowment Foundation next academic year. We have a coaching ethos at Chelsea Academy and Mathematics teachers in collaboration with their line manager are expected to reflect and develop their own practice along with contributing teaching and learning ideas.

In particular, candidates should have:

- An excellent track record teaching at GCSE and AS/A2 level demonstrated through exemplary examination results.
- A passion for mathematics and the ability to inspire and enthuse students of all aptitudes
- Strong subject knowledge with the capability to teach outstanding lessons in mathematics up to A-Level Core and Mechanics content
- The capacity to contribute to the development of the Academy's Christian ethos
- High expectations of students in terms of learning, achievement and behaviour
- Enthusiasm for developing innovative approaches to learning, teaching and student participation

Applications from NQTs are welcome and will be considered.

Please visit our website for an application form that needs to be completed and returned to the Academy. Sorry but we do not accept CV's. The deadline for applications is **Monday 21st May 2018 at 12:00 pm. We will be inviting shortlisted candidates for interviews throughout the duration of the advert.** It will assist the shortlisting process if applicants can address directly to the criteria in the person specification in their supporting statements.

If you have any further questions about this post, then please feel free to contact Anisha Edoo Yatally (HR Manager) who will put you in contact with the relevant staff member. Visits to the Academy and / or requests for informal discussions with the Principal are welcome and can be arranged by Anisha. Please note that Chelsea Academy is committed to safeguarding and promoting the welfare of children and young people.

Equal Opportunities and Safer Recruitment

Chelsea Academy is an inclusive employer. We welcome applications from suitable candidates no matter their gender, race, religion, sexual orientation, or disability, however, we do expect all our staff to note and follow our Christian ethos which is outlined on our website. Please note that Chelsea Academy is committed to safeguarding and promoting the welfare of children and young people. The successful candidate must be able to satisfy successful references, an enhanced police / Security Disclosure and Barring Service (DBS) check and right to work in the UK prior to starting employment with the Academy.

If you want to work in a happy, purposeful inner city academy with a strong Christian ethos and commitment to helping every student go on to university or meaningful employment, then we would welcome your application.

Yours faithfully

Matt Williams
Principal

MATHEMATICS CURRICULUM

OVERVIEW

The Mathematics curriculum area delivers high quality lessons full of rigorous mathematics so that students not only enjoy the maths they are learning but also appreciate it as an essential life tool. It is our belief that the study of Mathematics underpins and supports the study of Chelsea Academy's Science Specialism, as well as many other subjects across the school curriculum.

We develop resilient learners who can tackle problems in a variety of different ways; Through their maths lessons, students develop the skills to recognise similarities and differences of problems in various contexts and thus be able to apply the mathematics they learn in the modern world.

From year 7 to year 13 we provide opportunities for students to improve their understanding through quality feedback and in class intervention. We also provide regular opportunities in and out of class for students to extend their mathematical understanding beyond the curriculum. We want all our students to complete their education as confident mathematicians with the numeracy and problem skills they need to succeed whether they finish their formal mathematics education at GCSE, AS or A Level.
