9 February 2018

Dear Applicant

Class Teacher Appointment

Thank you for your interest in the class teacher post at Berryfields.

The school opened in September 2013 and has been growing, from the bottom up, since then, adding a further 60 pupils each year and taking a one-off three-form intake in Reception in 2016. This year we have children in all year groups from Nursery to Year 6 for the first time.

As a school we are highly aspirational for our pupils and our distinctive, story-telling curriculum and focus on creativity enables our pupils to make very good progress. Supported by the Key Stage Leader and working alongside the teacher of a parallel class, you will be responsible for ensuring that the curriculum is challenging and engaging and helps our pupils make excellent progress towards year group expectations and transition towards their next key stage.

We are looking for an exceptional teacher, to join our Key Stage 2 team in April 2018, initially in Year 4. The post is suitable for an ambitious and aspirational teacher, with recent experience of teaching, learning and assessment in Key Stage 2.

As a Church of England School and as part of the Aylesbury Vale Academy, we are sponsored jointly by the Oxford Diocese and Buckinghamshire County Council and have community facilities and a children's centre on site. We expect all our staff to share our desire to serve the people of Berryfields and to help build a community that enables our children and their families to be the very best they can.

We are inspected together with the Aylesbury Vale Academy secondary school, as one through-academy. Consequently our current overall OFSTED judgment is 'Serious Weaknesses' and we are determined to move out of this in the coming months. Our staff have very high expectations and aspirations for our pupils and work in a supportive and collaborative fashion. They are committed to ensuring we are the best we can be and to ensuring that there are high levels of consistency and continuity right the way across the whole primary and secondary age range, so this is an ideal place and time to develop outstanding practice.

If you are a creative and reflective practitioner, with high expectations for children's achievement, if you believe in working together to make a real difference for the next generation, if you are looking for a new challenge and want to be part of something special, then we would love to meet you and find out more about you.

The deadline for receipt of completed application forms, which should be sent together with a supporting statement, is Monday 26 February 2018. I expect interviews will take place the following week. I enclose a job description and selection criteria for the post for your information, as well as our vision and aims leaflet.

Yours faithfully,

Mr J Walker
Headteacher
