

The English Faculty

Aims:

- To stimulate and maintain pupil interest in English, taking into account preferred learning styles and multiple intelligences
- To develop pupils' ability to communicate, orally and in written form, at all levels, using appropriate strategies to address different audiences and purposes
- To maximise the achievement of pupils in English and in English Literature at Key Stages 3, 4 and 5 against national and locally agreed benchmarked targets
- To promote good citizenship by incorporating concomitant skills and issues into all our schemes of work across all Key Stages

English Faculty Ethos:

- We are a forward-thinking and dedicated team of experienced English specialists
- We are committed to the development of best practice in all aspects of English teaching
- We value teamwork and commitment
- We also value the ability to communicate enthusiasm for our subject to pupils and colleagues alike
- Our major concern is the nurturing of the individual child within a secure learning environment, while promoting independent learning and challenging each pupil to achieve his or her potential

Curriculum:

- At Key Stage 3, all pupils follow a 2-year curriculum structured and delivered according to the updated NC guidelines for English. Our main aim at KS3 is to provide a seamless 'five year mastery curriculum' into KS4, as the distinction between these Key Stages is now largely redundant
- Pupils will begin KS4 in Year 9 and study EDUQAS GCSE English Language and Literature (formerly WJEC)
- At Key Stage 5, roughly a third of Rainhill High School Sixth Form students study English (AQA English Language B or AQA English Literature A)
