Dear Applicant

TEACHER OF PHYSICS
Commencing 1 September 2018

Thank you for your interest in the position of Teacher of Physics. Formby High School is a thriving community comprising engaged students, supportive parents and Governors, and experienced and very willing staff. To find further information, I would encourage you to browse our website. You are also very welcome to visit the school in advance of submitting an application.

Formby High School is committed to safeguarding and promoting the welfare of its young people. The successful applicant will need to be DBS (Disclosure and Barring Service) checked to Enhanced level and personal details will be cross-referenced in line with the school's Safeguarding Policy.

If you decide to proceed, please complete the TES online application and within your supporting statement include the following:

- your reasons for applying for the position and suitability for the role
- what you will bring to this position if appointed.

All applications must be received by 9:00am on 16 March 2018. The final selection process will take place on 20 March 2018. Applicants called for final selection will be informed by telephone as soon as possible after shortlisting has taken place.

Candidates called for final selection will receive a detailed programme on their arrival, which will include a tour of the school, written assignment, teaching exercise and formal interview. For the teaching exercise, candidates will be required to teach a Physics lesson for approximately 30 minutes on a topic of which you will be informed. Following the written task and teaching exercise, we will select those candidates called for the formal interview.

The decision of the appointment panel (members of the Senior Leadership Team, Science Department and a Governor) will be informed by the following:

- application form
- results of the written assessment
- lesson observation
- performance during formal interview

I look forward to receiving your application.

Yours sincerely

D A Mackenzie
