Headteacher:
Mrs F Rostron

Dear Applicant

Teacher

Thank you for your interest in our vacancy for a Teacher at our School.

Calcot Schools is a hard Federation between Calcot Infants & Nursery and Calcot Juniors. We are a popular 3-form entry school, one of the largest within the West Berkshire Local Authority. We are friendly and welcoming with incredibly supportive and dedicated staff who strive to continue the momentum of progress achieved and a federated governing body who are actively involved in ensuring that the school is 'on-track'. Our children love coming to school and fully participate in all aspects of school life.

Calcot is a popular and thriving commuter area situated on the western side of Reading. Reading is ethnically and socio-economically diverse and this is reflected in our pupil make-up. We have a varied community at Calcot where we celebrate our differences and learn from each other. We are in a great location easily accessible from the motorway and many staff travel from different places to work here.

We have an emphasis on staff development offering opportunities for staff to progress through leadership opportunities in subject areas and within year group teams. We welcome young aspirational teachers who are eager to progress and fast track, and as we have a large staff there are many opportunities for advice and support as teachers develop professionally.

The school has a focused drive for improvement and we welcome all applications particularly candidates with a strength in teaching Mathematics as this is key within our school development plan. We are working with the local maths hub and LA to drive forward fluency and mastery in this area of the curriculum.

We had our Ofsted Inspection in May 2013 and have been judged as a good school overall and our pupils' behaviour is outstanding.

More information about our school can be found on our website www.calcotschools.co.uk. Visits are warmly welcome, please contact our school office to arrange a mutually convenient time

We look forward to hearing from you!

Yours sincerely

Florence Rostron (Mrs)
Headteacher
