- 72.12.4 Without prejudice to the generality of sub-paragraph 12.3 of this paragraph, Annex 3 contains a list of tasks falling within the scope of that paragraph.

Management time

73. A teacher with leadership or management responsibilities shall be entitled, so far as is reasonably practicable, to a reasonable amount of time during school sessions for the purpose of discharging those responsibilities.

Working time

- 74.1 The provisions of this paragraph shall not apply to deputy head teachers, assistant head teachers, advanced skills teachers or to teachers employed to teach part-time and are subject to paragraphs 42.6, 45.2 and 45.3.
- 74.2 A teacher employed full-time, other than in the circumstances described in sub-paragraph 4 of this paragraph, shall be available for work for 195 days in any school year, of which 190 days shall be days on which he may be required to teach pupils in addition to carrying out other duties; and those 195 days shall be specified by his employer or, if his employer so directs, by the head teacher.
- 74.3 Such a teacher shall be available to perform such duties at such times and such places as may be specified by the head teacher (or, where the teacher is not assigned to any one school, by his employer or the head teacher of any school in which he may for the time being be required to work as a teacher) for 1265 hours in any school year, those hours to be allocated reasonably throughout those days in the school year on which he is required to be available for work.
- 74.4 Sub-paragraph 2 of this paragraph does not apply to such a teacher employed wholly or mainly to teach or perform other duties in relation to pupils in a residential establishment.
- 74.5 Time spent in travelling to or from the place of work shall not count against the 1265 hours referred to in sub-paragraph 3 of this paragraph.
- 74.6 Such a teacher shall not be required under his contract as a teacher to undertake midday supervision, and shall be allowed a break of reasonable length either between school sessions or between the hours of 12 noon and 2.00pm.

- 74.7 Such a teacher shall, in addition to the requirements set out in sub-paragraphs 2 and 3 of this paragraph, work such reasonable additional hours as may be needed to enable him to discharge effectively his professional duties, including, in particular, his duties under paragraphs 72.1.1 and 72.1.3. The amount of time required for this purpose beyond the 1265 hours referred to in sub-paragraph 3 of this paragraph and the times outside the 1265 specified hours at which duties shall be performed shall not be defined by the employer.

Guaranteed planning and preparation time

- 75.1 A teacher to whom paragraph 74 applies shall be allowed as part of the 1265 hours referred to in paragraph 74.3 reasonable periods of time ("PPA time") to enable him to carry out his duties under paragraphs 72.1.1, 72.1.3 and 72.3.
- 75.2 PPA time shall amount to not less than 10% of the teacher's time-tabled teaching time (and for this purpose "time-tabled teaching time" means the aggregate period of time in the school time-table during which the teacher has been assigned by the head teacher in the school time-table to teach pupils).
- 75.3 PPA time shall be provided in units of not less than half an hour during those parts of the school time-table in which pupils are taught the core and other foundation subjects or religious education.
- 75.4 Such a teacher shall not be required to carry out any other duties, including the provision of cover in accordance with paragraph 72.9, during his PPA time.
- 75.5 Sub-paragraphs 1 to 3 of this paragraph also apply to a classroom teacher who is employed on a part-time basis with the substitution for the reference to 1265 hours in sub-paragraph 1 of a reference to that number which, as a proportion of 1265 hours, equates to the proportion of the school week that the teacher is normally employee.
