HINCHINGBROOKE SCHOOL – From the Principal

Thank you for your interest in our remarkable school.

Hinchingbrooke is one of the country's largest co-educational secondary schools with a current roll of c.1950 students aged 11 to 18 years and a Sixth Form of 400 students. It is in several senses a unique state school. It is built in the beautiful parkland grounds of Hinchingbrooke House, the former home of the Cromwells and the Montagus. Charles I almost certainly sat at the oak table, now in the Chapter Room, for his meals whilst a prisoner during the Civil War. Several Kings and Queens have graced its rooms, including Elizabeth I, whose arms now are displayed above the bow window. This heritage gives staff and students a very special pride and sense of identity.

The school has retained some of the best features of its Grammar School history whilst addressing the contemporary needs of modern-day students at an all-ability school. The Sixth Form play a very active whole school role and there are many very able post-16 students, as well as those in years 7 – 11, who have a strong sense of community. Participation in House activities and events is both broadly based and highly competitive. There are a significant number of leadership opportunities for students throughout the various student councils and committees and we often use a student panel as part of our interview processes for the appointment of teachers.

Having been an academy since September 2011, Hinchingbrooke was given the go ahead, in November 2017, to set up a Multi-Academy Trust and sponsor one of our feeder primary schools, Cromwell Academy. The **ACES ACADEMIES TRUST** was launched officially on 1st January 2018 and we are expecting another large secondary school and a number of other feeder primary schools, to join the MAT in the first few years.

The post of Assistant principal (Student progress) provides a vital link between the pastoral and academic aspects of the school. The person who holds this post is the first port of call for the Heads of Year and SSOs (Student support officers). You will concern yourself with supporting the management of behaviour, the quality of tutoring, use of tutor time, student communication systems, academic review days, attendance and many other incidental matters that come your way. You will report to, and receive support and guidance from, one of the Vice Principals on a day to day basis and, as a member of SLT, you will be expected to participate fully in all discussions and report to SLT from time to time on all aspects of your remit. A fuller exposition of the role and responsibilities together with a job description can be found later in this pack.

There are many areas in which Hinchingbrooke has achieved excellence including sports and the performing arts and the school is recognised for these in the local community. We have a national reputation for innovation through our specialism in sport; our English department has taken the lead in helping to raise achievement in other schools; Design Technology has triumphed in national competitions; Drama and the performing Arts stage incredibly professional productions and six of our departments contribute to the curriculum ambitions of the Prince's Teaching Institute. At Hinchingbrooke our mission is to *inspire excellence and fulfil potential* and for fuller details of our mission and values, please refer to our website.

We enjoy a number of quite outstanding facilities. A thriving Arts curriculum has the use of a professional standard theatre which is also a focal point for the local community. Music and Drama have good specialist facilities. Sports facilities are extensive and include a floodlit all-weather pitch, swimming pool, sports hall, fitness suite, dance studio and large playing fields and pavilion. A new £2.5m Sports Hall was completed in June 2016. Being adjacent to Hinchingbrooke Park allows for sailing and orienteering in another stunning setting. There is a comprehensive website and a fast developing intranet which supports teaching and learning. The school aims to make learning technologically empowered, and supports 'bring your own device' access, so further investment in this important area is planned.

The strength of Hinchingbrooke is founded on the quality of its staff, both teaching and non-teaching. There is a strong relationship with Cambridge University and De Montfort University both for research and ITE. Teaching staff not only mentor student teachers, but also contribute to the broader ITE agenda, actively promoting routes into teaching. Teaching and Learning is at the heart of all we do and the development of pedagogical practice is driven by the four Heads of Faculty along with a very able and creative Teaching and Learning committee. Their work is further underpinned by the 'Teach meet' events, workshops and opportunities offered in our diverse and comprehensive staff development programmes. Teachers are well supported in their task by some talented and dedicated support staff. All staff take pride in our community and are mutually supportive.

The school is inclusive and welcomes fresh ideas and opinions from adults and students alike. Teachers and support staff are equally valued. There is a strong emphasis on professional effectiveness and we aspire to the highest of standards. CPD and professional development is a high priority and we are constantly seeking to find ways to share and spread best practice and to provide opportunities for career progression and professional fulfilment.

Hinchingbrooke School has formed a partnership with The Ivo school in nearby St Ives. Together the two schools support each other with CPD, succession planning, leadership development and in challenging each other to secure improvements in all areas. We also play an active role in the Discovery Teaching School Alliance by co-ordinating school to school support and, from January 2017, hosting the NPQML and NPQSL development programmes.

The supportive Senior Leadership Team is led by the Principal, comprises two Vice Principals, eight Assistant Principals which include the Director of Sixth Form, and a Business manager.

Academically the school is divided into four Faculties as follows:

The work of the Year Teams is overseen and supported by the Director of Student Progress (Assistant Principal), which is this current vacancy.

The Director of Student Services (Assistant Principal) is responsible for the working of two distinct but complementary services: Learning Support and Safeguarding & Inclusion. Another Assistant Principal leads all of our work in teacher training and with the Discovery Teaching School Alliance, whilst the Director of Sixth Form leads our very large and successful Sixth Form of some 420 students.

The Business Manager, who is also the HR and Finance director from the ACES Academies Trust, is the most senior of the support staff and strategically manages many of the non-academic processes and operations including, most crucially, the budget.

The Achievement agenda is informed and promoted through PiXL methodologies, which is led by one of the Vice Principals. Progress in all Key Stages is good with some of the best results coming in the Sixth Form. The vast majority of Sixth Form students progress to University with some successes at Oxbridge and Russell Group Universities. We attract a large number of students from other schools and, with some 420 students, ours is substantially the largest Sixth Form in the county.

Students have a strong affection for Hinchingsbrooke and many are very talented young people. Sixth Form students play a key role in the school by leading the inter-House activities and competitions and by supporting younger classes. Participation levels are high and the school offers a wide range of extra-curricular opportunities to ensure the education of the whole person. Our intake is relatively privileged although there is a significant minority of students from socially disadvantaged backgrounds and the school inevitably has a small number of more challenging students.

Hinchingsbrooke has great ambitions to provide 'premium brand education' and to be a leader in the ACES Academies Trust. We are seeking to recruit high quality staff willing and able to support our ethos and aspirations. We are a dynamic organisation committed to developing all of our staff and we welcome strong applications.

EQUALITY AND DIVERSITY¹

The Governing Body of Hinchingsbrooke School is committed to promoting equality of opportunity for all staff and job applicants. We aim to create a supportive and inclusive working environment in which all individuals are able to make best use of their skills, free from discrimination or harassment, and in which all decisions are based on merit.

We do not discriminate against staff on the basis of age; race; sex; disability; sexual orientation; gender reassignment; marriage and civil partnership; pregnancy and maternity; religion, faith or belief. (Equality Act 2010 protected characteristics). The principles of non-discrimination and equality of opportunity also apply to the way in which staff and Governors treat visitors, volunteers, contractors and former staff members.

SAFER RECRUITMENT²

Hinchingsbrooke fully recognises the responsibility it has under section 175 of the Education Act 2002 to have arrangements in place to safeguard and promote the welfare of children.

Through their day-to-day contact with students and direct work with families, staff at the school have a crucial role to play in noticing indicators of possible abuse or neglect and referring them to Social Care via the Cambridgeshire Direct Contact Centre (Designated Person for Child Protection to refer).

Our Safeguarding and Child Protection policy sets out how the school's governing body discharges its statutory responsibilities relating to safeguarding and promoting the welfare of children who are students at the school.

PREVENTING UNSUITABLE PEOPLE FROM WORKING WITH CHILDREN

The school will operate safer recruitment practices including ensuring appropriate Disclosure and Barring Service checks and reference checks are undertaken according to the DfE document 'Keeping Children Safe in Education' (July 2015).

Any allegation of abuse made against a member of staff will be reported straight away to the Principal. In cases where the Principal is the subject of an allegation, it will be reported to the Chair of Governors.

The school will consult with the Named Senior Officer in the event of an allegation being made against a member of staff and adhere to the relevant procedures set out in Keeping Children Safe in Education (part 4) and the school's Personnel Manual from EPM Ltd.

The Named Senior Officer will advise on all further action to be taken. Please note that the Principal or Chair of Governors should not seek to interview the child/ren involved until advice has been sought. Doing so may compromise any police interviews that may be necessary.

The school will ensure that any disciplinary proceedings against staff relating to child protection matters are concluded in full even when the member of staff is no longer employed at the school and that notification of any concerns is made to the relevant authorities and professional bodies and included in references where applicable.

The school will ensure that all staff, paid and unpaid, are aware of the need for maintaining appropriate and professional boundaries in their relationships with students and parents/carers as advised within the Local Authority's Code of Conduct. As part of the Induction process, all staff will receive guidance about how to create appropriate professional boundaries with all children, especially those with a disability or who are deemed vulnerable. All staff will have read and signed to confirm they have read the DfE Keeping Children Safe in Education (September 2016, part 1) and Working Together to Safeguard Children (March 2015).

The school will ensure that staff and volunteers are aware that sexual relationships with students aged under 18 are unlawful and could result in legal proceedings taken against them under the Sexual Offences Act 2003 (Abuse of trust). Staff will also be made aware as part of Induction about how to report inappropriate sexualised behaviours to the Principal or Designated Person to follow up with Social Care teams. Staff who work within a school have a duty of care to model appropriate social behaviours and to ensure that the professional role of trust is not abused.
