

THE ISLAND FREE SCHOOL

Headmaster Mr S J Boyd

January 2018

Dear Candidate

Thank you for your interest in joining our team at The Island Free School. This is an exciting time to join us; we have moved into our new purpose built school and September will see the completion of our five year staffing plan and our first cohort will sit their GCSE examinations in 2019.

Created by parents and teachers, The Island Free School opened to year 7 pupils in 2014 and we continue to grow by one cohort each year. Our model has proved very popular with Island families and we are heavily over-subscribed in all year groups.

We have built a highly effective team of teachers and support staff with a shared passion to create an extraordinary school for Island families. We have been rated Good with Outstanding personal development, behaviour and welfare by Ofsted in our first inspection in July last year and we encourage you to read our Ofsted report.

Our school is highly academic and all pupils follow the English Baccalaureate, with GCSE programmes of study in all subject areas. We have a specialism in music and all pupils are given free music tuition and instruments in key stage 3. At the end of each day all pupils and staff engage in a wide range of creative and sporting activities as part of our enrichment programme.

We are now looking to complete our exceptional team with Teachers and have already advertised for English, Mathematics, Science, History, Geography, Spanish, French, Latin, PE (specialism in Hockey or Rugby), Head of Drama, Head of Year. We now seek to appoint a teacher of Computing/ICT (python)

The post is open to newly qualified, and more experienced, qualified colleagues. The ability to offer a second subject at key stage 3 would be an advantage.

The successful candidate can expect a balanced teaching load, high quality professional development, potential for career advancement, a competitive salary and the opportunity to enjoy coming to work each day.

To apply please use the online form – we look forward to hearing from you and thank you for your interest in our school.

Kind regards,

Steph Boyd
Headmaster
