

P.E. Department

Blue Coat PE are committed to learning experiences that will enable our students to achieve, develop an understanding of physical wellbeing and a passion for lifelong participation.

The department permeates the school's distinctive Christian character across all teaching and learning activities.

At Blue Coat all lessons are structured in line with the National Curriculum for Physical Education, and our students are taught through a sport & wellbeing and theoretical focus. This is to encourage the development and progression of both practical and theoretical performance.

Pupils in Key Stage 3 are taught in single gender groups. The programme is planned in accordance with the National Curriculum requirements.

In Key Stage 4, activities are also offered on a single gender group basis and taught again within the national curriculum guidelines.

Qualification pathways currently in operation are OCR GCSE PE, GCSE Dance, AQA A level PE and the BTEC Level 3 in Sport. These qualifications have been operating for many years and are taught across key stage 4 & 5.

Facilities at Blue Coat include a Sports Hall, Gymnasium, an 'Astro-turf' pitch, Tennis Courts and extensive playing fields. All facilities are in constant use as we have a very full extra-curricular programme.

Over the years, Blue Coat has built up a reputation for its sporting achievements in many areas. Clubs and teams operate in Athletics, Badminton, Basketball, Cricket, Cross-Country, Dance, Gymnastics, Football, Hockey, Netball, Rounders, Rugby, Table-tennis and Tennis. Many pupils represent the City, County and the West Midlands in some of these sports.

We are fortunate as a school to have links with a number of associations which enable pupils to benefit from additional provision:

Coever Coaching
Elite Sports Development
Wasps Rugby club
Coventry United Football Club
Sky Blues in the Community
Coventrians RFC
Coventry East Sports Partnership
Coventry University
Carl Baker Football Academy

The PE department is a very committed department and encourages all pupils to be successful in all areas of the subject.

Mr G Johal
Head of PE
