

Ellis Guilford

October 2017

Dear Colleague,

Required for January 2018: Key Stage Leader for Mathematics

Thank you for expressing an interest in this post.

We are looking for an ambitious and talented practitioner who:

- wants to be the best they can be and understands the difference that good teaching makes;
- has an excellent understanding of the new maths curriculum;
- gets a buzz out of working with young people from disadvantaged backgrounds;
- wants to work in a dynamic and vibrant school with a great team of staff and students.

Ellis Guilford was judged Good by Ofsted in 2015 and we are working hard to maintain this status and improve outcomes for all our students. We have a diverse intake of young people and are located around three miles from the City Centre with excellent transport links. We are a very popular school with a strong reputation in the local community. Maths is an improving faculty and colleagues are ambitious for the future. The successful applicant is likely to have some middle leadership experience and be looking to apply this in the context of a larger school.

We are committed to developing our staff and are part of the LEAD TSA which offers a range of training opportunities for colleagues at all levels. If Ellis Guilford sounds like a good fit for your skills and interests, then please complete an application form and supporting statement on no more than two sides of A4 outlining how your experience to date has equipped you to be successful in this role.

Ellis Guilford School has a strong commitment to safeguarding young people and the recruitment processes follow safer recruitment procedures and all appointments are subject to an enhanced DBS clearance.

Closing date for applications is 5.00 pm on Friday, 13 October 2017. Interviews will take place during the week beginning 16th October 2017.

Yours faithfully,

Dr S Coulton
