

Main responsibilities of UPS teachers

To meet the Teachers Standards as set out above plus the post threshold standards:

Professional attributes

Frameworks

P1. Contribute significantly, where appropriate, to implementing workplace policies and practice and to promoting collective responsibility for their implementation.

Professional knowledge and understanding

Teaching and learning

P2. Have an extensive knowledge and understanding of how to use and adapt a range of teaching, learning and behaviour management strategies, including how to personalise learning to provide opportunities for all learners to achieve their potential.

Assessment and monitoring

P3. Have an extensive knowledge and well-informed understanding of the assessment requirements and arrangements for the subjects/curriculum areas they teach, including those related to public examinations and qualifications.

P4. Have up-to-date knowledge and understanding of the different types of qualifications and specifications and their suitability for meeting learners' needs.

Subjects and curriculum

P5. Have a more developed knowledge and understanding of their subjects/curriculum areas and related pedagogy including how learning progresses within them.

Health and well-being

P6. Have sufficient depth of knowledge and experience to be able to give advice on the development and well-being of children and young people.

Professional skills

Planning

P7. Be flexible, creative and adept at designing learning sequences within lessons and across lessons that are effective and consistently well-matched to learning objectives and the needs of learners and which integrate recent developments, including those relating to subject/curriculum knowledge.

Teaching

P8. Have teaching skills which lead to learners achieving well relative to their prior attainment, making progress as good as, or better than, similar learners nationally.

Team working and collaboration

P9. Promote collaboration and work effectively as a team member.

P10. Contribute to the professional development of colleagues through coaching and mentoring, demonstrating effective practice, and providing advice and feedback.
