DELTA Academies Trust ...Changing lives

March 2018

Dear Applicant

Post: Teacher of Maths – Maternity Cover

Thank you for your expression of interest in this post. We are seeking to appoint an inspirational, enthusiastic and hard-working Teacher of Maths to join our academy, on a temporary contract to cover maternity. Being part of Delta Academies Trust means our staff have access to great CPD opportunities, specialist Director support and trust-wide resources as well as superb career progression opportunities due to our commitment to developing emerging leaders.

De Warenne Academy is a rapidly improving school. We have the highest ambitions for all and work closely in partnership with parents and students to ensure every child can fulfil their potential. In summer 2016, we celebrated the best results in the history of the academy, with 61% achieving GCSE passes in maths and English at grades A*-C, alongside the highest A Level results in Doncaster. This year we focused on raising results across the entire curriculum and we saw GCSE attainment surge to meet similar standards across the vast majority of subjects. We aim to intervene quickly to support students at risk of falling behind and adapt the curriculum to help them. In Key Stage Three, we have nurture groups, ensuring that all students are taught in a supportive environment which meets their needs, enabling them to thrive and make progress.

The academy opened in 2009 and in February 2013 we moved into our new purpose-built, state-of-the-art building. We were involved in the planning from the very beginning and could not be more pleased with the result. The innovative learning zones have bespoke teaching walls and all are equipped with a full class set of wireless laptops. In addition, all teaching rooms have the most up-to-date whiteboard technology installed. The building is fully carpeted and so promotes a calm and purposeful learning environment.

De Warenne Academy is an incredibly vibrant and rewarding place to work, where staff and students know that education is hard work but also fun and enjoyable at the same time. If you take the opportunity to visit the academy you will see the safe, calm and well-organised environment along with the growing pride and rising aspirations very evident in our students.

I am extremely proud to work with such a talented team of students and staff, who work tirelessly to make De Warenne the highly successful and rapidly improving academy that it is today. Should you wish to be part of a team of staff that is determined to move the academy to the next level then De Warenne is the academy for you. If you feel that you have the skills, qualities, experience, drive and passion to join us on our journey of continued improvement, I very much look forward to receiving your application.

Yours sincerely

Anna Rooney
Principal
