An Historic Location

Beechwood Park School, founded in 1964, is a very recent part of the history of the *Beechwood Park Estate*—a story that begins, as far as we can tell, with the foundation of a Nunnery, later called the ‘Nunnery of St Giles-in-the-wood’ in Saxon times.

The land and Nunnery were handed to Ralph de Tony (whose name appears in the Domesday Book) by William the Conqueror when he divided up his new kingdom. Ralph had distinguished himself on the field of battle a number of times to William’s benefit and *Beechwood Park* was just one part of his reward.

So begins a rich and varied history that involves Henry VIII, Edward VI, Sir John Tregonwell, Sir Richard Page, and King Charles I and II (Sir Edward Sebright was a standard bearer for Charles I in the English Civil War). There were 15 Sebright Baronets in all, some of them Members of Parliament and others equerries to the Royal Household. Lady Olive Sebright was a personal friend of Queen Mary, consort of King George V. Queen Mary visited *Beechwood Park* a number of times and photographs in the School’s archive show her at luncheon in the Great Hall in 1948.

The magnificent east front was added to the Jacobean house in 1702. The parkland that we see in front of the main house, by that time a Queen Anne mansion, was designed by Lancelot Capability-Brown in 1753. Copies of Capability-Brown’s original survey and plan for the new parkland are held in the School’s archives.

Recent archaeological surveys and digs, sponsored by the School, have revealed remains of medieval walls and courtyards as well as artefacts such as brooches and drinking vessels dating from medieval times. The School’s young archaeologists have been fully involved in making these exciting discoveries.

Beechwood Park School opened on October 8th 1964. The School was formed from the combination of *Shirley House School* in Watford and *Heath Brow School* in Hemel Hempstead. Originally an all boys boarding school, *Beechwood Park* first admitted girls in September 1993. Over the years, the Junior and Middle Departments have been added and in 2005 *Beechwood* extended its provision to include children of nursery age by acquiring the Nursery at Little Cheverells.

And so the School continued to evolve, the latest additions being the provision of an Indoor Swimming Pool Complex, the onsite *Woodlands Nursery*, which opened its doors in September 2015 and a brand new recording studio (2017)!

Although fixed here for Sir John Gage Saunders in the 1860s, the clock dates from 1764 and came from the Worcestershire estates of the Sebright family. www.historicengland.org.uk

Beechwood Park in the 21st Century

The *Beechwood Park* of today successfully blends the old with the new; innovation with tradition. Boys and girls create ceramics in the pottery room located in the old wine cellar and fabulous music compositions in the dedicated Apple Music Technology Suite and Recording Studio situated in a former coach house.

Raspberry Pi, *Micro Bits* and 3D printers inspire Computer Science studies, whilst outside, pupils make full use of the grounds and hunt for bugs in the *Forest School*. From Greek or Russian Club to Cheerleading or Chess, there is something to captivate every curious mind from our youngest *Woodlanders* to our talented 13+ candidates who confidently head off to a range of excellent independent day and boarding secondary schools.

The Capability Brown sculpted grounds provide orienteering trails, an indoor swimming pool complex, outdoor classrooms and eleven football pitches where a multitude of matches play out under the watchful gaze of our neighbouring sheep.

At the end of a busy and stimulating day, School buses depart and boarders' tea commences, then homework, music practice, the ever-popular Colditz - a *Beechwood* tradition! And then bed.

Pastoral Care

The provision of cutting-edge pastoral care is at the heart of *Beechwood Park*. There is a genuine commitment to and care for each member of the community and the happiness of each child is central to this.

The School provides children with a safe and happy learning environment in which they can enjoy building friendships for life and developing their innate creativity, curiosity and confidence within the framework of our fortnightly pastoral values.

Boarding

Pupils in Year 5 and above can flexi-boarding, choosing how many nights a week they wish to board between Monday and Thursday night . There is no weekend boarding. The boys' and a girls' boarding houses, where each evening once homework and music practice is complete, the children can take part in many and varied activities and games on offer.
