

BUSINESS DEPARTMENT

The Business Department offers innovative, engaging, thoughtful, rewarding and meaningful learning experiences for all our students, helping them to prepare for life and work in the future.

We encourage teaching staff to take part in training and development opportunities and seek to maintain and improve excellent examination performance and to add value at all key stages.

We provide a wide range of courses suitable for different abilities, and aspirations including:

- AQA GCSE in Business
- AQA GCSE in Economics
- AQA GCSE in Business and Communication Systems
- AQA A Level in Business
- AQA A Level in Economics

In addition, students also have the opportunity to participate in relevant enrichment opportunities such as the Economics 'Your Future in Europe' conference in Paris or the annual Tutor2U Business revision conference.

The Department has access to specialist teaching and ICT classrooms together with a range of educational resources to support teaching and learning.

Examination results are consistently excellent, and considerable emphasis is placed on raising student expectations and meeting high academic standards.
