

The Marlborough C of E School

Recruitment information and details of application
process for
SCHOOL BUSINESS MANAGER

Welcome

to the Marlborough C of E School, Woodstock

Dear Candidate

Thank you for expressing an interest in becoming the School Business Manager at The Marlborough School. We are looking for someone who feels, as I did when I visited and came for interview, that this is the place for them, that they understand the school and its potential, and has the drive, determination and passion to make a real difference to the lives of the young people in our care.

Here at Marlborough, we are proud of the uniqueness of our school. The strong sense of community is palpable, and the Ormerod Resource Base "has a profoundly positive impact on the way in which students gain a sense of what it means to be inclusive" (Ofsted). It is also a visible sign of how we 'live our values' on a daily basis, showing respect, care, compassion and equality through our actions.

Our Electives Programme also shows how we genuinely value the fully-rounded nature of the education our young people receive here at Marlborough. We are a school that demands high academic standards and challenges our young people to do their best, but we balance this with ensuring we are producing considerate, well-rounded, compassionate and articulate human beings.

Our latest SIAMs report (January 2017) and our Ofsted report (February 2018) judged the school to be "outstanding at meeting the needs of all learners" and "good" in all major categories. The reports also state that "the pupils are excellent ambassadors for the school, demonstrating its values consistently through their courtesy and eagerness to learn". It talks of a "team" of staff working "relentlessly" to ensure the best outcomes and progress for our pupils, especially

the most vulnerable: "strategies for Pupil Premium pupils, known as Marlborough Scholarship Students, are helping these pupils to flourish. The vision and ethos has helped to create resilient and self-aware pupils with strong aspirations both for themselves and for their peers".

The school is consistently over-subscribed, with more parents and students than ever before wishing to join in Year 7. We are a happy place to work and learn. Ofsted noted that "relationships are very positive and staff morale is high. All of the staff who replied to the survey said they were proud to work in the school." It is an exciting and stimulating place to be.

I would urge you to visit our school, to meet our staff and young people and see our facilities. You will be most welcome.

If you have any questions or queries, please do not hesitate to get in touch. I look forward to reading your application.

Mr A Hanlon
Principal

We strive to find the balance between being ambitious, rigorous, uncompromising and academically outstanding, with making sure our young people are nurtured, cherished and cared for. Our Values

Underpinning our vision is a set of values that we share and live out within our daily lives as a school. These have been agreed in our community and are:

6. Community – We are proud to be part of our school. We enjoy our Electives Programme and take an active part in the wider community. We work closely with our Primary Schools and local churches. We are committed to raising money for our chosen charities. We recognise our role as part of a national and international community.

General Information

The Marlborough C of E School invites applications for the post of School Business Manager

Commencing 1st September 2018 or as early as possible.

The information contained in this document is to assist you in assimilating a profile of the school and complements the information you will find on our website www.marlborough.oxon.sch.uk and in our school prospectus.

The Marlborough C of E School is a rural 11-18 comprehensive and co-educational school which converted to an academy on 1st October 2012 and joined River Learning Trust in April 2018. There are currently 1050 pupils on roll, including 192 pupils in the Sixth Form and 25 pupils in our SENSS Resource base. We are delighted to work in partnership with the Ormerod Special Educational Needs Resource Base which enables pupils with a broad range of physical and learning disabilities to benefit from learning alongside their peers in a secondary school. As a Church of England school, Christian values underpin our ethos.

The school is popular and is over-subscribed. Our admission number is 180 and Years 7-11 are organised into six mixed ability tutor groups. Approximately 75% of our pupils travel to school by bus or car from our nine Partnership primary school locations and beyond. Our Partnership (catchment area) primary schools are located in: Bladon; Bletchington; Combe; Kirtlington; Stonesfield; Tackley; Woodstock; Wootton and Yarnton and, in a typical year, Year 6 pupils transfer from as many as 25 to 30 primary schools.

We feel privileged to be located in Woodstock and enjoy excellent links and relationships with our local community, businesses and churches. The area from which pupils are drawn has a broad socio-economic mix, with a majority living in rural locations. House prices are high and there is evidence of increasing financial pressure on families. Although our number of Pupil Premium Students (known in our school as Marlborough School Scholarship Students) is below national average (12%), it is a key focus for us as a school. The pupils are predominantly from a white British background with 11% from other ethnic backgrounds.

The school joined the River Learning Trust on 1st April 2018. The River Learning Trust (RLT) is a Multi-Academy Trust responsible for a number of schools and a school centred initial teacher training (SCITT) provider within Oxfordshire. The schools and SCITT are united by their commitment to the principles of the Trust and a common belief in the benefits of everything that is gained by working together. For more information on the River Learning Trust and its partnership schools, please visit <http://www.riverlearningtrust.org>

The Area

Woodstock is a market town located in the heart of the Cotswolds within easy reach of the centre of Oxford and with easy access to London via the M40 and the Midlands via M42/A44. There is a good rail link from Oxford (the new station at Oxford Parkway is only a 5 minute drive from school), Long Hanborough and Charlbury stations. The surrounding villages are located in beautiful, open countryside within thriving communities. There are plenty of sporting facilities in the area and varied amenities for families.

We are particularly proud of our association with the **Ormerod Resource Base** which reflects our very strong inclusive ethos. The 25 pupils associated with the Base are on The Marlborough C of E School roll. Staff for the Base are employed by SENSS at Oxfordshire County Council. The team of specialist Teaching Assistants and one teacher is led by the Resource Base Manager.

Another unique feature of the school is our **Electives Programme** which runs on Wednesday afternoons. Normal timetable is suspended to facilitate a diverse programme of activities and opportunities, both on and off-site, for pupils in Years 7–11.

We are also proud of our work in the **community and our support of charities**. Fundraising involves everyone at some point over the year; either through involvement in Charities Week, (this year we raised over £9,000), on the annual School's Fun Run around Blenheim Park or the myriad Marlborough School Association (MSA/PTA) activities.

Another important part of our culture is the weekly **Whole School Assembly** that takes place on Wednesday mornings. This is a chance to share important messages, celebrate success, enjoy music and performance and also provides opportunities to reflect and come together as a whole community.

The school is committed to maintaining its strong community links, an aspect of which is reflected in its support of the **Community Learning Programme** for adults. This is a unique feature in the County, in that it is managed by the school, is self-financing and offers a wide range of after hours activities for adults. There is some day time provision, which is accommodated in a specially designated area of the school.
