## From the Principal

Dear Applicant

Thank you for your interest in the position of Curriculum Director. This vital position will see you taking a leading role not only at Hatcham College but also across our successful Federation. You will not only play a key role in delivering outcomes for our young people and for the accountability measures for the College overall, you will also enjoy a role and programme of support that will see you quickly becoming an effective leader operating at the level of an assistant principal. The expectation is that once achieving excellence in your own subject and in leadership and management, your next steps will be transition into a deputy headship or a vice-principal position.

This opportunity would suit an ambitious core subject specialist who has had some experience of responsibility already or an experienced head of core subject who is seeking to deepen and strengthen their leadership experience within a federation of schools that currently provides education for over 5000 children across all phases from nursery to post 16. As one of three Curriculum Directors (English, Maths, Science) your brief will be very much focused on your core subject. With a reduced teaching commitment in line with assistant principal, you will also benefit from a tailor-made induction and ongoing development programme, supporting you in ensuring student outcomes and making the most of your subject's extended management structure.

As one of England's leading federations, we believe it is important to recruit talented individuals who share our vision to be the provider of exceptional education for all our children. We firmly believe that living the distinct Haberdashers' ethos has paved the way for our long lasting success, maximising EYFS, Phonics, KS1, KS2, GCSE and A Level results, enthusiasm for high performance plus continuous improvement, and a culture of teamwork and open communication.

Our commitment to the importance of learning extends to all our staff, we are genuinely a learning organisation. We know that the success of our schools depends upon the quality of the people working within them and that attracting and keeping the best talent is the most effective way to advance a successful federation, so we are committed to investing in you and your future, offering a competitive remuneration and benefits package, providing learning and development opportunities and career promotion.

Good luck with your application.

Mr Declan Jones  
Principal  
Haberdashers' Aske's Hatcham College

## About the Federation

### A message from the Chief Executive

A very warm welcome to Haberdashers' Aske's Federation. We are a Multi-Academy Trust of three secondary schools and five primary schools organised as three all-through 3-18 academies and a primary free school:

Haberdashers' Aske's Crayford Academy

Haberdashers' Aske's Knights Academy

Haberdashers' Aske's Hatcham College

Hatcham Temple Grove Free School

Our schools are in the London Boroughs of Lewisham and Bexley and educate over 5,000 children and young people in south-east London. All our schools have a single vision and ethos and are committed to valuing tradition, as well as progress, and promoting excellence in every area of school life, and to ensuring every student in our care fulfils their potential. We have a strong ethos based on mutual respect and responsible behaviour.

Our Principal Sponsors, the Worshipful Company of Haberdashers, take a keen interest in the welfare and progress of our students and are extremely generous with their support and expertise.

### Being part of a Multi Academy Trust

Our Federation brings together primary and secondary schools in an innovative and ambitious way. United by a single Trust Board, Chief Executive, Finance Director and Director of Performance, our three all-through school clusters are autonomous schools with their own Principals and senior leadership teams.

At the same time, links develop at every level and in every area of school life. There are excellent opportunities for sharing resources, learning from each other and student and teacher exchange. The Federation is at the cutting edge of national educational initiatives, committed to research and development and to adopting creative solutions that will benefit all students.

All our students are inspired to reach their full potential, no matter their ability or background; aspirations and achievements are constantly raised; the improvement of standards reflects the needs of the local and wider communities, through the highest quality academic, personal and vocational teaching and guidance. We build on the strengths and experiences of our schools so that our students become independent learners, fully equipped for the opportunities, challenges and responsibilities of adult life in the 21st century and well prepared to be the leaders, professionals and parents of tomorrow.

## Our Vision

The Haberdashers' Aske's Federation is a Federation of three all-through academies, each at the heart of their community that share a vision for the education of children and young people. Our vision is built from our values of aspiration and achievement, personal responsibility, self-discipline and mutual respect. We are forward-looking and value innovation within the context of our long tradition of providing excellent education. Based upon these values we aim to ensure all the children and young people who come to our schools:

- are happy and safe at school and are able to learn successfully within a supportive environment.
- are able to achieve their full potential personally, academically and socially.
- develop and grow as independent, resourceful and resilient individuals.
- are equipped with the skills, qualifications and love of learning they will need to be successful in the world they will join as adults.

“We are forward-looking and value innovation within the context of our long tradition of providing excellent education.”

We will achieve these aims by providing a safe environment where all children and young people can succeed through:

- Provision of a curriculum that is stretching, relevant and provides each student with the opportunity to excel.
- High expectations of every member of our community.
- Excellent teaching, leading to the highest standards of academic excellence.
- The best standards of behaviour based upon our values of mutual respect, self-discipline and self-confidence.
- A respect for tradition that embraces innovation and challenge.

# Role Description

## Curriculum Director (Science)

---

This is a truly exciting opportunity for an existing or aspiring head of Science to take on a new role taking the delivery of Science one step further in the school and, as part of a core subject leadership team, across the Federation.

Our core subject leaders play a key role in delivering outcomes for our young people and for the accountability measures for the school overall. Because of the wide coverage of their subjects and their large teams, our Curriculum Directors are under significant scrutiny and have a high level of accountability.

The value and status we give to the role of Curriculum Director is reflected in:

- an enhanced curriculum directors' payscale
- a timetable commitment of 50%
- As part of the Curriculum Director's group, the leading role the Curriculum Directors play in developing the curriculum across the Federation
- an enhanced professional development programme to equip you with the skills to fulfil your role to the best of your ability and to progress on to the next role.

Our Federation goal is that through this role and the associated development opportunities a successful Curriculum Director will ultimately be equipped to move directly into a vice principal position.

The Science department is a successful core curriculum area within the school. As a senior member of staff, the Curriculum Director (Science) will contribute to the overall leadership and management of the school and be active in promoting its aims, and supporting an ethos that promotes academic achievement and outstanding teaching and learning. You will be an excellent and innovative practitioner who is committed to promoting the achievement and enjoyment of all learners, and to the on-going professional development of colleagues in the Science team and through the ATLAS teaching school.

# Key Responsibilities

## Key responsibilities

---

The Curriculum Director (Science) will:

- Be a model of high professional standards in all aspects of school life and to lead by example.
- Provide a vision for learning within the department in line with that of the whole school and lead the departmental team to realise the vision.
- Further develop the secondary Science curriculum in line with national changes and revised qualifications.
- Promote the study of Science across the whole 11-18 phase.
- Establish creative, responsive and effective approaches to learning and teaching to meet and support the aims of the school.
- Work with the cross Federation Curriculum Directors Group to lead on curriculum development in the Federation.
- Work collaboratively with the curriculum directors for Science across the Federation.
- Demonstrate and articulate consistently high expectations of pedagogy and classroom practice to provide challenge and improvement, using data and benchmarks to monitor progress in every pupil's learning and to focus teaching.
- Monitor the quality of teaching based on evidence, self-evaluation and development, ensuring a consistent and continuous focus on achievement and aspiration.
- Implement the subject area improvement plan based upon ongoing self-evaluation.
- Ensure that support is provided for individual teachers within your team where this is needed so all lessons are consistently good or better.
- Ensure the implementation of the school's assessment procedures, ensuring all pupils have timely and appropriate feedback and targets so that they make at least expected progress, and the majority are successfully challenged to make better than expected progress.
- Lead the development of schemes of work to support the team in delivering high-quality lessons.
- Devise and implement appropriate interventions for pupils, both within lessons and extra-curricula, to ensure all pupils make good progress.
- Share in monitoring, reviewing and developing the school's curriculum offer to maintain an appropriate, comprehensive, high-quality and cost-effective curriculum that complements the school's strategic objectives.
- Develop and lead curriculum enrichment to expose pupils to the Science community and context of Science in the world in which they live.
- Produce reports as required within the Federation's self-evaluation systems.

# Key Responsibilities

## Key responsibilities continued

---

- Manage the Science department staff, in particular the lead practitioners; including recruitment, staff training, and appraisal.
- Manage the departmental budget and development of resources.
- Keep up to date with developments in your subject area and in teaching practice and methodology.
- Take responsibility for your own professional development in discussion with your line manager.
- Maintain an organised and effective learning environment in the classroom and shared areas.
- Ensure the consistent implementation of school and Federation policies and procedures throughout the subject area.
- Work collaboratively with the other academies and colleagues within the Federation.

## General responsibilities

---

- Promote the principle of equal opportunities in the school.
- Promote the single Federation ethos.
- Promote the school's commitment to the continued professional development of all staff.
- Undertake any duties as may reasonably be required by the Principal or CEO.
- Work within the school's framework with regard to Health and Safety.
- Be aware of and assume the appropriate level of responsibility for safeguarding and promoting the welfare of children.
- Report any safeguarding concerns in accordance with the Federation's safeguarding policies.

## Person Specification

# Additional Recruitment Information

## References

---

Before you are invited to interview, the college will obtain references from your referees. In order to prevent a delay please ensure that the reference section of the application form is accurate and completed in full.

## Right to work in the UK

---

Section 8 of the Asylum and Immigration Act 2006 makes it a criminal offence for an employer to take on a new employee whose immigration status prevents him/her from taking up employment. If you are invited to attend an interview you will be asked to produce original and up to date documentary evidence of your right to work in the UK.

# Additional Recruitment Information

## Data Protection

---

Any data about you will be held securely with access restricted to those involved in dealing with your application in the selection process. By signing and submitting your application form you are giving consent to the processing of your data.

## Criminal Convictions

---

All education establishments in the UK are exempted from the Rehabilitation of Offenders Act 1974. In practice this means that all applicants must inform on all spent and unspent convictions on their application form and when completing a Disclosure and Barring form. Failure to provide this information may result in dismissal. List 99 is also obtained on anyone who will be working or coming into contact with children; and must be received by the college before employment can commence.

## Equality and Diversity

---

We recognise the benefits of a diverse workforce such as ideas and talent. We are committed to eradicating discrimination in the workplace; and becoming an employer of choice.

## Newly Qualified Teachers (NQTs)

---

NQT's who have been qualified for less than 12 months are welcome to apply for our teaching vacancies.

## Special requirements

---

If you require reasonable adjustments prior to your interview, these can be arranged by emailing [knightshr@haaf.org.uk](mailto:knightshr@haaf.org.uk) and where practical we will support your request.

## Visiting the College

---

If you are successfully shortlisted to attend an interview you will be given the opportunity to have a tour of the school.
