### Physical Education Faculty

The Physical Education Faculty at Park High School has an outstanding reputation within the county. This reputation has been built up over several years.

At Key Stage 3 and Key Stage 4 all pupils have 2 x 1 hour Physical Education lessons per week. Key Stage 3 pupils are taught in mixed ability, single sex groups. They are taught a broad and balanced curriculum covering all areas of the PE curriculum. The behaviour, kit, participation record, attitude and performance of our pupils are outstanding. The pupils' work ethic is something we are extremely proud of.

At Key Stage 4 pupils are given more choice to specialise and have the opportunity to select activities in Core PE lessons. At Key Stage 4 pupils have the option to study GCSE, Vocational PE and GCSE Health & Social Care. The PE department also has the responsibility for delivering the school's Personal Development curriculum.

Extra-curricular activities play a vital role in the PE department. We have a participation policy whereby practices and clubs are open to all pupils regardless of their ability. All clubs and practices are very well attended by both boys and girls. We have school teams in 12 different competitive sports competing successfully at both District and County Level.
