

MFL FACULTY

The MFL Faculty team currently has four full-time teachers and two part-time teachers plus an attached cover supervisor. We are housed in four spacious classrooms in West Block, all of which have been extensively modernised in the past two years. The successful candidate will have their own classroom although it is possible that they will teach in another room in the school when time-tabling necessitates.

All pupils learn French in Key Stage 3. In Year 7 they follow a mixture of Metro 1 and a SoW that we have written especially for the year group. Year 8 pupils follow Expo 2 and in Year 9 half the pupils follow the AQA FCSE course and half follow Expo 3. Year 9 pupils are also able to opt for a beginner's course in German or Spanish.

Languages are currently an option at KS4. In addition to French we offer German and Spanish to GCSE level with approximately fifty per cent of pupils studying a language in KS4. In addition we run a popular after-school Latin class.

Each year we take 90 year 7 pupils to Paris for three days and there is a bi-annual trip to Nice and Monaco for KS4 pupils.
