

Application Information

Application Pack for the post of:

Teacher of Mathematics

Full Time: Salary Scale MPS/UPS + OLA

We are looking for an enthusiastic and committed professional to join our strong staff team. The successful applicant must be able to contribute significantly to the success of the department and you must possess enthusiasm, be highly motivated and possess excellent teaching and learning skills. The successful candidate will motivate, inspire and teach Maths across all key stages.

Gumley House School FCJ is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

All successful candidates will be required to undergo safer recruitment checks including an enhanced DBS disclosure.

We are delighted that you are considering joining our thriving teaching community at Gumley House. We are looking to appoint an excellent Maths teacher to facilitate and encourage learning, which enables students to achieve high outcomes; to share and support the corporate responsibility for the well-being, education and discipline of all students; to support the school's distinctive Catholic mission and FCJ ethos.

Closing date: **Monday 23rd April 2018 at 4pm**

How to apply: Please download the application form (www.gumleyhouse.com/vacancies)

If you require any further detail about the role or application process, please contact Mrs Lonergan at:
llonergan@gumley.hounslow.sch.uk

177 years of outstanding Catholic education

Gumley is a school with a long tradition of educating girls (and boys in the Sixth form) to make a difference to our world. The school was established in 1841 by Marie Madeleine d'Houet, foundress of the Faithful Companions of Jesus (FCJ) an international society of Catholic sisters working in many parts of the world. In the UK there are five FCJ schools; each with its own identity but bound together by the tenets of the FCJ Philosophy of Education based on Ignatian principles.

Six core FCJ values of companionship, dignity, justice, hope, excellence and gentleness are at the heart of our work with young people and with each other.

Gumley is a vibrant learning community where students and staff learn and thrive together. The ethos of academic excellence and whole person development prepares our students to confidently achieve their education and career aspirations in the global world. Vision and innovation form our central pillar of learning. We embedded Mandarin in our curriculum in 2008 resulting in 'Confucius Classroom' accreditation and provision of Mandarin teaching to support primary schools. The forward looking MFL department also teaches Spanish, French and Italian.

Our students are provided with a broad and balanced curriculum which recognises the importance of creativity and the arts as well as making sure that maths and science are taught by well qualified specialist teachers.

As an oversubscribed non-selective girls school at KS3 and KS4 we have a wide catchment area with girls coming from 70 primary schools across west London. There are 52 ethnic groups represented in the school and 67 languages other than English. Our students are supported by an outstanding pastoral team led by two of our Assistant Headteachers who work with Heads of Year, Pastoral Managers and School Counsellors to provide a safe environment for all to flourish.

Gumley's academic results reflect our tradition of achievement, the students' high levels of ambition, parental support, as well as the challenging teaching and dedication of the staff. The vast majority of our students are accepted at their first choice university including Oxbridge, reading a wide variety of subjects. Some also attain scholarships or high level apprenticeships with companies such as SKY.

At the heart of our education is the belief that whole person development is paramount. Thus we strive to provide our students with inspiring opportunities and a wide experience through extra-curricular activities. Our termly 'Gumley News' publication which can be accessed on our website gives a clear insight of what we're about.

Building on past success and innovation, in 2015 we were awarded the Prince's Teaching Institute Mark for English, History and Geography and Maths in 2016.

For the third time, we were re-accredited the **International School Award (2015 – 2018)** by the British Council. The assessor wrote: *'This is an excellent Impact Evaluation and a credit to your school. Your application demonstrates your continued passion and commitment to understanding and applying the principles of international education in a creative and imaginative way. It also proudly showcases your international learning journey, including your achievements and highlights the positive effects of your global learning on all stakeholders involved in the process, including students, staff, partner schools and the wider community.'*

Having become the Lead Maths Hub for Pearson in 2012, in 2015 we received recognition from Pearson for being a 'lead school for Math Collaboration.' We are part of the TeachSouthEast Partnership, the Association of State Girls' Schools, and work closely with schools in Hounslow as well as other Catholic schools in west London. All these collaborations support our staff development and contribute to excellent outcomes for our students.

Gumley is situated on a beautiful site with excellent facilities. This creates a peaceful uncrowded environment in which our students are encouraged to live by our motto: 'Vive ut Vivas' - 'Live that you may have Life' and grow into their best self.
