St George's Weybridge

Thank you for your interest in joining the staff at St George's Weybridge. We are delighted that you are considering our School and we hope that you will wish to apply for this position once you have found out more about us.

Founded in 1869 by the Catholic order of Josephites, St George's Weybridge has become the largest independent Catholic school in the country. Academically autonomous, the College and Junior School work together to a 'one-school' principle, educating in excess of 1,600 students across the two school sites.

At St George's we seek to inspire a love of learning in our students and to encourage all to fulfil their aspiration and potential within an atmosphere of mutual respect and compassion. We acknowledge that each child is an individual with unique talents and abilities. Our role is to identify and develop these talents by providing them with every opportunity to achieve in the classroom, on the sports field and on the stage.

It has been an exciting time here at St George's Weybridge, with Rachel Owens joining us as Headmistress at the College, bringing her vision and enthusiasm as she leads the College in the next stage of its development. And to mark our forthcoming 150 year anniversary, work is underway on an exciting new architectural development for the College that will transform our current activity facilities. The Junior School, led by Antony Hudson, goes from strength to strength, with the latest addition, "The Ark", with its state of the art classrooms, resource areas, IT suite and outdoor learning areas.

Our Schools are supported by a strong Business Team made up of passionate and dedicated individuals working across a broad spectrum of departments, all pulling together to provide professional business services enabling the delivery of an outstanding Georgian education. The heads of each of the nine business departments form the Business Management Team which complements the activities of the College and Junior School Senior Management Teams.

We hope this pack provides you with useful information about both St George's Weybridge and this pivotal role. We recognise that a great deal of thought and time goes into preparing such an application and we assure you that we will, in turn, give your application serious consideration.

Our Georgian Family Ethos

The distinctive Josephite traditions upheld by St George's College and St George's Junior School encourage a strong sense of family where all students are valued and encouraged to fulfil their potential in an atmosphere of mutual respect and compassion.

This atmosphere aims to reach out to all families, our alumni known as 'Old Georgians', the local community and the wider world.

St George's College and St George's Junior School are proud to have a reputation for being friendly schools, where all students are individually known and valued equally whatever their strengths and weaknesses. Great care is taken by the teaching staff to ensure that all of those in their care develop into quietly confident, compassionate and perfectly balanced individuals, which will prepare them to play a responsible role in the shaping of society.

Christian values have always permeated every aspect of School life. St George's College and St George's Junior School are Roman Catholic schools which welcome students from all Christian denominations. It is our wish that during their time at St George's, our boys and girls will grow up within a community where Christian beliefs and principles are a guide for all that we do. This is evident in the liturgical life of our Schools and in the many ways we have of reaching out beyond our community. St George's Weybridge has clear policies about equal opportunities and does not tolerate any form of harassment or bullying.
