New Hall School

New Hall School is a leading HMC boarding and day school for boys and girls aged 3-18 and was awarded the TES 'Overall Independent School of the Year' for 2016-17. Founded in 1642, New Hall School is one of the oldest Catholic schools and the largest Catholic boarding & day school in the UK. New Hall is a strong and thriving community, set in a stunning location on the edge of the city of Chelmsford, just 20 minutes by train from London Stratford and 30 minutes from London Liverpool Street. There are also plans for Network Rail to open a new station at the foot of New Hall's Avenue; this is due to be completed by 2023.

At New Hall, we operate the highly successful 'diamond model' structure, i.e. co-education in the Preparatory Divisions (ages 3-11), single-sex education in the Boys' Division and Girls' Division (11-16) and co-education in the Sixth Form (16-18). In this way, New Hall provides the best of both worlds: the benefits of a co-educational environment together with the advantages of girls and boys being taught separately throughout the 11-16 age range. The provision of single-sex education during the formative years enables students to grow in confidence, whilst enjoying an education that is specifically tailored and recognises the different ways in which boys and girls learn.

There is an exciting School Development Plan (SDP), which has the continued strengthening of the school's academic standing as the priority. New facilities successfully delivered so far in the 2016-19 SDP include: investment in digital technologies; outdoors 'Forest School' provision; a second Astroturf, 3G pitch and new PE changing rooms; new recreational and hospitality facilities; and additional staff accommodation. Plans are currently underway for the expansion of the Preparatory Divisions to 3-form entry and for a new Science Centre.

Students aged 7-18 can board in one of six boarding houses. High academic expectations and achievements, together with outstanding pastoral care and exceptional drama, music and sports facilities and provision, together make New Hall a wonderful place to be educated.

The ethos at New Hall has been inspired by the founding Religious Community, the Canonesses of the Order of the Holy Sepulchre. New Hall has thriving Chaplaincy, RE and Theology teams and the community benefits from having a full time resident priest Chaplain. The school welcomes all who support its ethos.

New Hall's Mission and Ethos

The Economics & Business Studies Department

The Economics & Business Studies Department is based in the Thomas More Sixth Form Centre, with two adjacent, spacious and well-resourced classrooms, equipped with both interactive and traditional whiteboards. One classroom also holds a number of computers in addition to student desks. Further computer facilities are available in the study areas of the Thomas More Centre. The department comprises of three supportive and experienced teachers.

Both subjects are offered at A Level only and are popular choices among the student body. In line with the rest of the school, the department sets high expectations in terms of academic rigour and student behaviour. Students are engaged in the subjects and are motivated to perform well. Many continue their study of these subjects at undergraduate level, frequently at Russell Group institutions and with a number achieving Oxbridge success in recent years, in Economics and PPE. Students are following Edexcel Economics A and AQA Business.

Results are excellent each year, often exceeding whole school %A*-A and %A*-B and representing strong value added. This is down to excellent teaching and teamwork within the department and the positive relationships forged between teachers and students both in and outside of the classroom.

The department offers a variety of co-curricular activities, including team based competitions such as the IFS Student Investor competition, the Bank of England Target 2.0 Interest Rate Challenge and the ICAEW BASE business competition. The department has forged effective links with the Institute of Economic Affairs and either hosts or attends an annual student conference which is open to delegates from other local schools.
