Letter from the Head of School

A warm welcome

Making a difference at Djanogly City Academy really does mean that. Our students are fantastic and the job satisfaction that you have from working with them and being part of our community is enormous.

People ask me why they should work at DCA. My message is clear: at the end of each day you know that you can go home, having worked hard, but really know that you have had a big impact on the lives of our children and their families. You have made a difference.

We do work hard and set high expectations of all our team but your career development and professional worth is huge and much greater at DCA than in other schools. In addition, being part of a growing group of academies brings many more opportunities for development.

We are a diverse community in inner city Nottingham, with a lot of disadvantage and deprivation to deal with but it's our duty to give the young people the best possible chance so that they can be successful.

We have made significant improvements which have been recognised by the DfE and Ofsted. Our results last year made us the most improved school in both the City and the County. This year's will be even better as the quality of provision continues to improve.

If you are thinking of joining us then please come and look round the school to get a feel for our ethos and values and meet some of our team.

We aim to be the best and need more excellent professionals to join us to make that a reality.

I hope you feel that you want to join us and look forward to reading your application form and CV.

Best Wishes

Damian Belshaw
Head of School
