

Mission

To deliver an engaging, value rich, broad and balanced 'British International Education Programme' to the children of the employees of Qatar Airways. This is delivered by highly qualified and experienced UK teachers.

Vision

Our students will leave Oryx International School enabled, confident and ready to take on the challenge of their next stage of life. They will have effective behaviours for learning and attitudes for life that will enable them to thrive and succeed as global citizens of the 21st century.

Our staff will also be well trained and prepared to move on in their careers but will want to stay due to high job satisfaction.

Behaviours for Learning

- Be knowledgeable
- Ask questions
- Take responsibility
- Work as part of a team
- Set goals
- Have a go and don't give up
- Listen
- Think
- Communicate

At Oryx International School we offer the best in British Education by following a modified version of the National Curriculum of England to meet the needs of the international community.

Our curriculum offers breadth, challenge, continuity and coherence in an interactive and participative environment.

The school is uniquely for employees of Qatar Airways, so you are assured that your children are receiving the highest quality education.

Attitudes for Life

- Help others whenever you can
- Care about the environment
- Be positive and optimistic about life
- Be nice to people and animals
- Respect everyone
- Be tolerant
- Support others
- Be open minded
- Keep mentally and physically healthy and fit

Why choose Oryx International School

A holistic approach to education

We provide a challenging learning environment with a balanced interactive academic, co-curricular and extra-curricular curriculum. Our students are recognised as individuals with their own unique learning needs and are nurtured to become successful learners, ethical individuals and international citizens.

Qualified and experienced staff

We hire only the best! All our teachers have received their qualifications in the United Kingdom and are certified to teach the National Curriculum of England. Our staff are highly qualified and experienced to ensure that we instil a lifelong love of learning and determination to succeed in each of our students.

A thriving school community

We provide a participative environment for our parents and students, working together to meet the needs of our community at every opportunity.

Quality communication and care

We believe in providing our parents with a strong and positive environment in which to communicate with our teaching and administrative staff. Owned by Qatar Airways and managed by Orbital Education, we provide the best quality leadership and management.

A first class experience

Our new campus in Barwa City will provide a first class experience with state-of-the-art facilities exclusively for Qatar Airways employees.

STEM: Our facilities for the academic disciplines of Science, Technology, Engineering and Mathematics, will include six quality equipped science laboratories for physics, biology and chemistry, as well as food technology, resistant materials and robotics classrooms..

SPORT: To keep our students active, we will offer outdoor basketball, netball and tennis courts, an eight lane 140m straight athletics track and a soccer field; while our indoor facilities will include a six court sports hall, fully equipped training gym, 25m swimming pool and a teaching splash pool.

ARTS: The performing arts facilities will include music, dance and drama rooms; audio visual and music recording studios. Fine arts and design classrooms will be equipped to inspire our budding artists. The 600 seat auditorium will host numerous events from school productions to music recitals.

LEISURE: The two floor canteen will cater for our students' appetites with healthy meals and drinks, while they relax during breaktime. There will be exciting outdoor exploratory areas in each key stage block to ensure time from the class is spent relaxed yet still within a learning environment.

Barwa City
