

May 2017.

Dear Applicant

Thank you for showing an interest in our Key Stage 2 teaching vacancy.

Kirtton Primary School is a larger than average school with a hard working, friendly team of staff and delightful children. Our latest Ofsted inspection described us as a 'Good School'.

We are seeking an enthusiastic, creative and innovative classroom teacher to join our team. All our year groups are arranged in single-age, parallel classes and our teachers plan together; PPA is taken at the same time to facilitate this.

If you would like to come and meet us, please don't hesitate to contact us.

The successful candidate will be subject to DBS clearance checks before they are able to start.

Yours sincerely

Mrs Donley  
Executive Headteacher
