Dear Candidate

Thank you very much for your enquiry regarding the position of **Teacher of Design and Technology** at Stanley Park High. This key position has recently become available and the Governing Body, together with the students, parents and staff, are seeking a talented individual who has the qualities to '*Ignite a Passion for Learning*'.

**Stanley Park High** is a flourishing and vibrant community school for students of all abilities, housed in a state of the art building with facilities that fully meet the demands of learning in the 21<sup>st</sup> Century. We retain an absolute focus on our belief that excellent relationships are vital to achieving effective learning and we are a Lead School for Human Scale Education. Consequently, we value 'small'. To this end Stanley Park High operates a 'Schools within Schools' model, whereby most of our 1100 students are divided in three smaller communities: Performance, Trade and World. Our fourth community, Horizon, supports the learning of students with ASC.

The School was awarded 'Secondary School of the Year' by the TES in 2016 and in November 2015 we received Ofsted recognition for our commitment to a student-centred school, with inspectors grading our school 'good' with personal development, behaviour and welfare of students rated 'outstanding'. The report described us as "innovative and imaginative where pupils are very successfully prepared for their future lives." Inspectors also noted that "practically all students respond to the school's motto of '**Igniting a Passion for Learning**'. This is done by blending positive relationships, in small class sizes, with an exciting curriculum.

**Our innovative and responsive curriculum** ignites the learning experience of all our students. In Years 7 and 8 all students learn our unique competency based 'Excellent Futures Curriculum' alongside English, Mathematics, Science, PE and MFL. From Year 9 to Year 13 our offer is extremely responsive to the passions, interests and aspirations of our students. It enables them to combine the broad range of core subjects with significant specialist option choices that prepare them for further study, as well as practical skills for life and work.

**Our learning and teaching** is guided by several key principles. Notable amongst these are that learning should be experiential, enquiry based, practical, authentically assessed and related to real life. The quality of this Learning and Teaching is recognised by Universities and Teacher Training Institutions, who regularly seek our assistance in educating the next generation of teachers. We are committed to continuing professional development and are part of a local training school alliance due to the excellence of our work in this area.

**We believe** that this post provides an excellent opportunity for a talented individual to be a part of a school willing to take risks, push the boundaries in developing an innovative approach and, as a result, is viewed as an evolving success story.

We very much look forward to receiving your application.

Yours sincerely,

**Mr David Taylor**  
Executive Headteacher

**Ms Carol Symons**  
Associate Headteacher

## **Vision**

### **Igniting a Passion for Learning**

Every member of Stanley Park High will have:

- Ambition, commitment, resilience and perseverance
- Confidence to take risks
- An ability to organise and present themselves effectively
- Intellectual curiosity
- Imagination and creativity
- Initiative and self-motivation to learn independently and with others
- Optimism for a future in a rapidly changing world

**Closing date for receipt of applications: Monday, 16 April 2018**  
**Interviews to be held: Wednesday, 25 April 2018**

## Teacher of DT (Specialist in Product Design)

Required for September 2018

**Main Pay Range (Outer London Area)**  
**TLR 2.1 available for suitably experienced candidate**

Stanley Park High is a flourishing and vibrant community school for students of all abilities, housed in a state of the art building with facilities that fully meet the demands of learning in the 21<sup>st</sup> Century. We retain an absolute focus on our belief that excellent relationships are vital to achieving effective learning and we are a Lead School for Human Scale Education.

The School was awarded 'Secondary School of the Year' 2016 by the TES and in November 2015 we received Ofsted recognition for our commitment to a student-centred school, with inspectors grading our school 'good' with personal development, behaviour and welfare of students rated 'outstanding'. The report described us as "innovative and imaginative where pupils are very successfully prepared for their future lives." Inspectors also noted that "practically all students respond to the school's motto of **'Igniting a Passion for Learning'**. This is done by blending positive relationships, in small class sizes, with an exciting curriculum.

We are seeking an enthusiastic and conscientious Teacher of DT (specialist in Product Design) to join our highly successful and supportive Technology team. You will be required to teach throughout the age and ability range.

Experience of teaching Product Design is essential. This post is an excellent opportunity for either an NQT or experienced teacher.

The successful candidate will:

- Ignite a Passion for Learning in all our students
- Be creative and dynamic in the classroom at all key stages
- Be forward thinking and inspirational
- Have the skills to form excellent working relationships with all individuals

Please visit our website [www.stanleyparkhigh.co.uk](http://www.stanleyparkhigh.co.uk) for the job description, person specification and an application form.

Our preferred method of application is by email to [recruitment@stanleyparkhigh.org.uk](mailto:recruitment@stanleyparkhigh.org.uk)

***Stanley Park High is committed to safeguarding and promoting the welfare of our students and expects all staff and volunteers to share this commitment. This post is subject to satisfactory references, medical clearance and enhanced checks carried out by the Disclosure and Barring Service.***

## JOB DESCRIPTION

**Job title:** Teacher of Design & Technology (DT)  
**Scale:** Common Pay Spine  
**Responsible to:** Programme Leader of Trade School

You are required to carry out the duties of a school teacher in accordance with the provisions of the School Teachers' Pay and Conditions Document.

### 1. General Purpose of the Post

The Teacher will support the Programme Leader of Trade School to:

- contribute to the vision and leadership of school in order to ensure continued progress ;
- be accountable for continuous improvement in the quality of education within the classes taught;
- support the ethos of this school;
- satisfy the aims of the school through the implementation of the policies of the governing body;
- develop high quality learning and teaching within the subject that promotes and secures the achievement of students;
- carry out any such reasonable duties as may be specified by the Headteacher including the role of Form Tutor.

### 2. Learning and Teaching

The Teacher will support the Programme Leader of Trade School to;

- deliver lessons according to the Stanley Park Outstanding Lesson guide;
- provide a broad, balanced and relevant curriculum within the subject that matches the differing needs of all students;
- interpret different forms of data in order to develop appropriate intervention strategies;
- plan for, assess, record and report students' progress in relation to the classes taught;
- promote and recognise all forms of student achievement;

### 3. Human, Financial and Physical Resources

#### Human

The Teacher will support the Programme Leader of Trade School to:

- promote a positive ethos and a safe environment in which the highest achievements are expected from all members of the school community
- promote good order, discipline and high morale throughout their classes and the school community
- create and maintain good working relationships among all members of the school community.

#### Financial

The Teacher will support the Programme Leader of Trade School to:

- identify areas of potential spend within department allocations.

#### Physical

The Teacher will support the Programme Leader of Trade School to:

- ensure that resources for the lessons are fit for purpose and fully support effective learning.

### 4. Equal Opportunities

The Teacher will, at all times, carry out the duties and responsibilities of the post with due regard to the school's equal opportunities policies.

*This job description sets out the duties of the post at the time it was drawn up. The post holder may be required from time to time to undertake other duties within the school as may be reasonably expected, without changing the general character of the duties or the level of responsibility entailed.*

## Person Specification

### Teacher of Design and Technology (DT)

Please state, on the application form, in numerical order, how you meet the following selection criteria. Candidates will be shortlisted entirely on the basis of the extent to which they meet the criteria in their application form. Please ensure that you address every aspect, in turn, and number them under each heading. **All elements are essential unless otherwise stated.** Where 'desirable' is stated, only comment if you have the appropriate skills or experience. **Please ensure that your supporting statement is no more than two pages of typed A4.**
