Dear Applicant

Part-time Teacher of Science

Thank you for requesting details for the post of Science Teacher. If successful, you would be joining a school that is about to move to the next level in terms of performance. We are securely judged as Good, and have enjoyed pleasing outcomes with the new GCSEs in English and Maths. If you do join us, you will be expected to play a major part in the continuing improvement that will follow. Without doubt, this post is vital to the success of our students.

The successful candidate will be required to teach in a Science Department that is working hard to raise the profile of Science within the school and community. While standards are vital, you will be expected to have an open and imaginative approach to pedagogy. As indicated in our advert, our priority regarding this post is to appoint an outstanding teacher of Science. However, we would be very interested to learn of your preferred specialism.

If you have any questions regarding this post that you wish to raise before applying for this position, please do not hesitate to contact myself.

I look forward to meeting you should you decide that this is an opportunity to make a real difference to a school and community that will welcome a teacher with vision, enthusiasm, intellect and integrity.

Yours sincerely

P Hearle
Headteacher
