Improving Education **Together.**

01. About Academy Transformation Trust

We're on a mission

Our mission is to provide the very best education for all pupils and the highest level of support for our staff to ensure every pupil leaves our academies with everything they need to reach their full potential.

These are the things we hold dear

Transparency

As a charity founded on strong ethical practices, Academy Transformation Trust takes pride in being open, honest and crystal clear in everything we do.

Innovation

We are constantly striving to do all we can to make education the best it possibly can be. We are brave in our actions and do everything we can to have a positive impact on whole child development.

Collaboration

We believe the future of education relies upon effective collaboration between academies, and better collaboration between academies and their local communities.

Ambition

We are determined to improve education nationwide by encouraging collaboration and giving academies everything they need to realise their full potential.

We believe every child matters and deserves a first class education.

Our team knows first-hand how to make education better for schools, pupils and their teachers.

For us, the future of UK education relies upon schools working closely together to share best practices, giving every child the best chance in life. We set up ATT to make this vision a reality.

As a not for profit trust, we work with our growing family of primary and secondary academies, and further education providers in the Midlands, East of England and South East.

02. The Queen Elizabeth Academy Information

The Queen Elizabeth Academy is part of the Academy Transformation Trust family of academies.

The Queen Elizabeth Academy is a 11-16 mixed comprehensive academy with a vibrant learning atmosphere, a dedicated and supportive network of staff and exciting plans for the future, including the opening of a brand new school building in September 2016.

The academy's vision is for all students to realise their full potential, equipping them with the skills and qualities required for success in the competitive 21st century. We are committed to raising standards and providing students with exceptional opportunities to support learning.

We look for a number of outstanding qualities in our staff: an innovative and creative approach to their work; enthusiasm, positivity and an unfaltering commitment to our students' success, and an open-minded, proactive attitude to working within a team. We want individuals who want to go the extra mile for our community.

Teamwork is at the heart of everything we do and by working together we aim to secure a successful future for all. We encourage those interested in joining our school to spend some time with us to gain a real understanding of our ethos and what we have to offer.

The dedication of the staff and the enthusiasm of the students, coupled with the support of our parents and carers, makes this a special place.
