

## **Northcote Lodge – Head of Maths or Teacher of Mathematics**

A vacancy exists at Northcote Lodge for a **Teacher of Mathematics with the potential for a suitability qualified candidate to take on the role as Head of Maths** to start in September 2018.

This post is for a qualified teacher of Mathematics who will teach Years 6, 7 and 8. There are three forms in each year group. In Years 7 and 8, the boys are split into four sets per year group. Sets in the top years have an average size of 12.

Candidates for this position should preferably have some experience of teaching children in this age range, in an enthusiastic and child-friendly way. Experience of Common Entrance and Public School scholarship exams would be an advantage but not essential. Applicants should also be at ease with using ICT as part of the Mathematics curriculum and should be enthusiastic about the teaching possibilities of interactive whiteboards and iPads.

Northcote Lodge prides itself on offering the ethos and benefits of a country prep school education, but within a day school framework in SW London.

### **Job Purpose**

- To teach, assess and support the learning of Mathematics to boys from Year 6, inspiring an interest in the subject and laying the foundation for future studies.

### **Key Tasks and Responsibilities**

- Communicate an enthusiasm for the subject being taught to the boys
- Meet with the Head of Mathematics to review and contribute positively to discussions on the Mathematics curriculum, delivery and continuity of teaching throughout the school
- Plan, prepare and deliver excellent lessons using a wide range of resources following the programmes of study
- Keep abreast of all curriculum developments and maintain a thorough understanding of current theory and practice in each subject area
- Develop a thorough understanding of the academic demands of Common Entrance and Scholarship examinations, where appropriate
- Ensure appropriate differentiation is provided for the boys to accommodate their needs and facilitate progress
- Ensure all boys are making good progress; to identify those who are not, and put in reasonable support for them
- Assess progress in each subject area and keep a record of assessment in order to make an informed judgement for regular assessment grades
- Meet parents at Parent/Teacher meetings and respond promptly to parental queries
- Ensure reports are written for each boy as appropriate
- To adhere to all school policies
- 

### **Qualities we are looking for:**

- Good classroom management and general organisation
- Enthusiasm and commitment to all round education
- Resourcefulness, flexibility and the willingness to work as part of a team
- A good manner with parents
- A desire to play a full part in the life of the school

## **Knowledge, skills and experience**

### Essential

- Recognised teaching qualification
- Excellent interpersonal and communication skills
- Commitment and passion for teaching

### Desirable

- Experience of teaching mathematics to Common Entrance level
- Ability to teach science

## **Salary & Benefits**

We offer a competitive salary dependant on experience. The School has its own pay scale which is well above the maintained sector. The contractual hours of work are Monday to Friday 8.00am to 5.30pm term time only, although staff will be expected to work occasional extra days and evenings.

## **How to apply**

A letter of application and a full CV including the names, addresses and telephone numbers of two referees should be sent to:
