WELCOME FROM THE HEAD MASTER

I am delighted to welcome you to the recruitment area for Altrincham Grammar School for Boys, one of the top performing boys schools in the country.

Founded in 1912, the school is rated "Outstanding" by Ofsted and secures some of the best examination results at GCSE and A level in the country. Almost all students progress to university with many attending the best Russell Group universities including Oxford, Cambridge and many others.

We tailor our curriculum to ensure students are nurtured as well-rounded individuals, excelling in core subjects like Mathematics, English and the Sciences but who are also deeply knowledgeable about the Arts and Humanities.

Knowledge, however, is only one component of success. At this school we aim to equip our students with the range of skills to succeed in a rapidly changing world. All students are offered a wide ranging programme of extra-curricular activities and enrichment that hone essential character traits such as leadership, resilience, moral purpose, integrity and honesty.

AGSB is a great place to work and I look forward to receiving your application.

Yours sincerely

GA Wright

Head Master

An investment of £4M in improved sports facilities has been completed and all School employees benefit from free use of the facilities.

THE LOCATION

Altrincham Grammar School for Boys is situated a mile from Altrincham town centre within the Parish of Bowdon, which, with the surrounding parishes of Hale, Altrincham & Timperley, is home to many executives and professionals employed by the multi-national companies based in Manchester and also the BBC in Salford Quays.

THE GEOGRAPHY DEPARTMENT

The AGSB Geography Department consists of a full-time Head of Department, a full-time Geographer, a member of SLT who teaches a half timetable and one other part-time specialist teacher. The department has a culture of working collaboratively and for several years has been awarded the Princess Teaching Institute (PTI) mark as recognition.

At GCSE students study Edexcel (A) and at A Level we also follow the Edexcel course. The department prides itself on facilitating excellent pupil progress and achieving exceptional examination results. For example at A Level in 2018, 60% of entries were at grades A*/A. At GCSE last year, 71% of students achieved the coveted grades 9-8 and 42% of all entries were grade 9. The department benefits from three dedicated teaching rooms.

At present there are field trips in Year 9 to Salford Quays (regeneration), in Year 10 to Snowdonia (glaciation and rivers) and Year 11 to Ancoats (sustainability). Sixth form students visit the FSC at Blencathra to start their NEA.
