Teacher of Technology/Child Development/Textiles

For January 2019

The Park Community School, Park Lane, Barnstaple, N Devon EX32 9AX
www.parkcommunity.devon.sch.uk admin@theparkschool.org.uk

INTRODUCTION

INTRODUCTION

Park has a proud history and strong sense of tradition, the origins of the school dating back to 1910. We have an excellent reputation within our local community and beyond.

Our vision is for every student to achieve to the best of their potential. In working towards this we recognise the need for a highly skilled, suitably qualified and motivated staff.

We can only achieve our vision by working alongside colleagues to create the right climate and culture for teaching and learning.

As a school we are keen to develop and maintain links with a range of schools and educational establishments. These links will provide opportunities for learning, discussion, reflection and staff development to enable everyone to deliver the best education for our students.

The school is based in the market town of Barnstaple, which is a great place to live and work.

I hope that after reading all of the information in this booklet and online that you feel you would like to be a part of our team. Please feel free to contact the school if you would like any more information before submitting your application.

Mr Gareth Roscoe, Headteacher

FACILITIES

- Excellent capacity for school improvement

- Rural location in heart of Devon
- Ample on-site car parking
- Good transport links
- Complementary mix of traditional and modern buildings
- Suited departmental areas
- Staff laptop scheme
- Multiple staff CPD opportunities
- Fantastic sports facilities

ABOUT OUR SCHOOL

The Park is one of two 11-16 comprehensives in Barnstaple. Park was opened in 1972 following the re-organisation of selective education in the town, however, the origins of the school date back to 1910, with the site housing both the Boys and Girls grammar schools. Many elements of the original buildings remain and these help to link the school to its proud and strong history.

The school currently educates 1330 students, mainly from the town of Barnstaple and outlying villages. However, in recent years, the popularity of the school has meant that the geographical catchment has increased, with many students now travelling some distance to join us.

On joining the school each student is assigned to one of our 5 houses, Fortescue, Raleigh, Drake, Chichester or Kingsley. The house system is rooted in the DNA of the school with many parents and grandparents showing allegiances to a particular house. Siblings will also join the same house, meaning that the Head of House creates a strong relationship with students and families over time. Each house contains 2 tutor groups from each year group. Students recognise the strength of the house system and value this greatly. It creates a family environment within the school and leads to healthy competition in sports and other inter-house activities.

The curriculum is organised into departments with a traditional structure. The curriculum has recently undergone a review and changed in September 2017 to allow the school to respond to new performance measures, whilst maintaining and supporting non-Ebacc subjects such as the performing arts, sport and technology. In this ever focussed Ebacc era, we increased the amount of Performing Arts time for Key Stage 3 in 2016.

The student numbers for the school are healthy, with a planned increase in numbers expected over the next five years. We are nearly full in the current year 7 and we are oversubscribed for the rising Year 7 (September 2018). The school finances are in an equally healthy position with the governors and Headteacher keen to continue the recent development of the campus, providing greater facilities for staff and students alike.

The school is led by a recently appointed Headteacher (September 2015) and a senior team that lead on school operation and curriculum, pastoral support and development and teaching/learning.

The school is in the process of converting to become an academy as a member of a newly created Multi Academy trust—Tarka Learning Partnership—which will consist of Park and 5 feeder primary schools and a SCITT. This will allow for greater rigour, collaboration and further development of teaching and learning. The school also belongs to NORDAB (North Devon Academic Board) an association that covers North Devon, providing supportive mechanisms between partner schools for staff training, developing and sharing ideas. More recently the school has been developing links with the D.T.S.A (Dartmoor Teaching School Alliance) and the NDTSA (North Devon Teaching School Alliance) and governors are keen for the school to form strategic alliances with appropriate bodies to ensure rigour to our own curriculum and quality assurance systems.

The school is in a strong position to move forward and embrace the latest challenges of the current education landscape.

SCHOOL LOCATION

Barnstaple is a busy town that has a developing industrial base and is the commercial and administrative centre of North Devon. It has been successful in the Britain in Bloom Competition and in recent years has won the Regional, European and International trophies. With the North Devon Link Road, connecting the area with the national motorway system, Barnstaple and its surrounds are planned to grow further in the future.

The North Devon countryside is outstandingly beautiful. The coast varies from wild cliffs to the magnificent surfing beaches of Saunton, Croyde, Woolacombe and Westward Ho! Exmoor National Park lies just to the north and Dartmoor to the south. These natural features form the basis of the tourist industry in the area.

The school is very pleasantly situated, overlooking the River Taw, its estuary and the town of Barnstaple, with its beautiful views of the surrounding Devon countryside.

The buildings are overall of high quality, linked together and surrounded by twenty-seven acres of playing fields and parkland.

Our substantial building programme has provided a full range of well-equipped modern learning environments.

A Community Sports Hall is managed by the school. A floodlit artificial turf pitch on the school site benefits both the school and the community. Further sporting facilities have been developed, including a new floodlit regional netball centre of six courts.

Nearby at Saunton Sands

Department Information

The department consists of 9 full time colleagues, including 2 members of the leadership team and a colleague with responsibility elsewhere in the school. Teachers are supported by two D&T based technicians. Staff deliver the full range of technology areas across years 7 & 8 on a rotation basis, with each group having a 100 minute (2 doubles) per week. In Year 9 all students select two material areas to study in more depth before starting formal options in year 10. For GCSE students receive 6 50 minute lessons per fortnight.

Currently the department offers a range of examined courses including GCSE Food Preparation & Nutrition (AQA), GCSE Design Technology (AQA), Cambridge National Child Development and BTEC Construction.

The department is based across 8 specialist teaching rooms with Textiles and Child Development being taught in two of our newest spaces.

The department have access to a range of specialist facilities and resources, an ICT room and a bank of laptops for use in teaching spaces.

THE ROLE

Teacher of Design Technology

Required from January 2019, an enthusiastic, well qualified, Teacher of Technology with the ability to deliver a specialism in Child Development to GCSE level. The ability to offer Textiles would be advantageous.
