Dear Candidate,

Thank you for your interest in this post, and I hope you find the information provided useful.

Furze Platt is an extremely rewarding school in which to work and was rated 'Good' by Ofsted in our most recent inspection (September 2016).

As our values and vision statement notes, 'Our successful school is a happy, safe and caring learning community where achievement is promoted, potential realised and young people flourish.' We have nearly 170 caring, committed and good humoured teaching and support staff together with a diverse student body of 1250 students, who come to school ready to learn and who are supportive of the school's policies and procedures. This is a school where staff and students work together to achieve high standards and excellent outcomes.

'Pupils achieve highly at this school' - Ofsted 2016

Our student body is taken from the town of Maidenhead, 30 miles west of London, and from other parts of Berkshire and Buckinghamshire. Whilst overall the area is affluent, ours is a true comprehensive school, with students from all social, economic and ethnic backgrounds. The school is popular and well regarded in the local community. The achievement of most students is good or better and has been significantly above national averages for 4 years running. Both girls and boys make significantly better progress than children nationally.

'The quality of teaching and learning is strong. Teachers' strong subject knowledge and good behaviour management skills help pupils to learn effectively' - Ofsted 2016

We are also a very inclusive school, and our vertical tutor group system, with six tutor groups in each of eight houses, emphasises the sense of community. We have a specialist unit for students with autistic spectrum disorder, and provide excellent support for those with academic or emotional difficulties.

Our curriculum is broad and balanced, and aims to meet the differing needs of students. We operate a two year Key Stage Three to allow students to make accelerated progress and to embark on their GCSE studies in Year 9.

At Key Stage Four our curriculum provides an appropriate mix of academic GCSE subjects including English Language and English Literature, maths, and both combined and separate sciences. Students can also opt for more vocational subjects. Standards are very high and students' progress and attainment are significantly above the national average.

The Sixth Form is an undoubted strength of Furze Platt, with the broad curriculum offer and high standard of teaching leading to excellent examination results. A very large number of sixth formers progress to university, including Russell Group universities and Oxbridge. Sixth form students are also expected to undertake community work in or out of school, including paired reading and maths schemes, and act as subject prefects or mentors. They make a significant contribution to the school. The Sixth Form block boasts state of the art teaching rooms, study facilities and a common room.

‘Teaching in the Sixth Form is consistently good... students made very strong progress in both academic and vocational subjects [and] are excellent role models for younger pupils... the proportion of A* and A grades has also increased’ - Ofsted 2016

We have excellent ICT facilities, with all departments having either a separate ICT suite or large numbers of laptops for student use. Our VLE (‘FP Online’) is first class, and enables staff and students to collaborate simultaneously over the Google ‘cloud.’ All teaching staff have their own school laptop.

We also believe passionately in music, drama, the arts and sport, and have excellent facilities to support these. In particular, over the past five years two state of the art Drama studios, including a small theatre, have been built; a new Dance studio has been constructed; while our Music department has been completely redesigned, and now houses a professional recording studio, practice rooms and classrooms. As would be expected, there are a large number of music and drama productions, both on a large and small scale. We have recently completed a significant sports development programme and Furze Platt Leisure Centre opened on site in 2015.

We have a strong team of teaching staff and are committed to developing our teaching still further, and thus to ensure that even more students reach their full potential. To this end, we invest heavily in teachers’ professional development. In addition to twilight staff development time and teaching and learning-focused INSET days, staff are encouraged to join working parties focusing on aspects of pedagogy and benefit from staff coaching. Where appropriate, staff attend external courses, and we encourage staff to visit other schools to see examples of best practice.

Furze Platt is an exciting school to work in, and this is an exciting time to join us on our journey. I hope that the information in this pack inspires you to apply to work with us. Should you require any further information, then please visit our website (www.furzeplatt.com) or contact me via my P.A. Mrs Jacky Phillips email jacky.phillips@furzeplatt.net.

With best wishes

Curriculum

KS3

Students learn in mixed ability groups and follow the National Curriculum. We embed Personal, Learning and Thinking Skills throughout the curriculum in order to enhance learning. We value drama in English and the important role that it has to play in developing higher order skills and allowing students to formulate original interpretations of complex texts. Students are given the opportunity to experience theatre productions, workshops from professional writers and other activities that enrich their experience of English.

KS4

At GCSE, we follow the Eduqas specification for English Literature and Language. Students have 9 hourly lessons per fortnight where the successes of KS3 are built upon. Independence and exploratory thought continue to be developed as students study a range of stimulating non-fiction, prose, poetry and drama texts.

KS5

English Literature (OCR) and Technical Extended Certificate in Digital Media (OCR) invariably recruit a large number of students. We follow the courses for each of these subjects ensuring stretch and challenge is embedded throughout. Students currently sit mid-course examinations at the end of Year 12 and their A Level examinations at the end of Year 13. A significant number of students progress to study English or Media-related subjects at university.

Extra-Curricular Provision

The department offers a range of enrichment activities and the successful applicant will be able to contribute to these as well as develop new opportunities for students.

Currently we offer: creative writing competitions for all year groups, classwork clinics and revision clinics. Opportunities for public speaking coaching and debating are in the pipeline.
