We are seeking to appoint an exceptional and inspirational leader to the post of Vice Principal. This is an exciting time to join our rapidly expanding and improving school, and be part of a dynamic and expanding Multi Academy Trust.

We are looking for someone with vision, drive and strong leadership skills with a proven track record. Final responsibilities will be negotiated according to the strengths of the successful candidate although areas of responsibility are likely to include the oversight of assessment and intervention strategies, quality assurance processes and the line management of middle level leaders. We are particularly interested in candidates who share our commitment to improving the life chances of young people regardless of background.

This is a superb opportunity for an ambitious senior leader who is aspiring to headship and is ready to take the next step.

You must be capable of working independently as well as collaboratively. You should be able to contribute to our drive for school improvement building on a track record of improving student performance. We want someone who shares our commitment to high standards of professionalism and for the academic achievement of all of our students. If you are an outstanding practitioner with a commitment to high standards we would be delighted to hear from you and look forward to receiving an application.
