**Recruitment Pack for the Position of
TEACHER OF MATHS**

Welcome to St Thomas More Catholic High School

Thank for taking time to consider the post of Maths Teacher here at St Thomas More Catholic High School. The role is a vitally important one in our school and will impact directly on our continued success and future development.

Our school is recognised as one of the very best schools in Cheshire and nationally as our Progress 8 score has been the best in Cheshire East for the last 2 years. Our OFSTED inspections of September 2007, April 2012 and January 2016, together with our pupils' examination results at Key Stage 4 establish our wider reputation as a school with excellent results and pupil progress. The Diocese of Shrewsbury graded the school outstanding in February 2017

I hope that in finding out more about the school and its secure basis on Gospel Values you will feel motivated to apply for the post of Teacher of Maths. I would encourage you to visit the school and meet our exceptional pupils. Please do not hesitate to contact the school if you have specific questions. However do look at our website if you would like more information about our school.

Your application form and covering letter, including referees should be returned by the closing date of Wednesday 25th April 2018, 10:00am.

Interviews will take place on Wednesday 2nd May 2018.

The application form and covering letter can be emailed to:

Kind regards

Mrs Clare Hogg
Headteacher

St Thomas More Catholic High School

Keeping Faith in Education

St Thomas More Catholic High School is a high performing, oversubscribed, 11-16 school in the South Cheshire Catholic Multi Academy Trust in the Diocese of Shrewsbury which was once again rated Good by Ofsted in 2016. Our most recent inspection by Shrewsbury Diocese rated us as an Outstanding Catholic school.

We have a well-deserved reputation for academic excellence balanced by outstanding pastoral care and support which allows our pupils to flourish and develop as rounded individuals.

We continue to focus relentlessly on the quality of teaching leading to excellent results for pupils, very high expectations of behaviour to create a calm and happy school, a strong good pastoral system to care for pupils and their needs, and a range of enrichment activities to engage and motivate pupils to contribute to their wider education to ensure that St Thomas More Catholic High School provides an outstanding education for all pupils.

Every school in the country with high ambitions for its young people would probably say the same, but we have a distinctive foundation or inspiration for our pursuit of excellence: our Catholic Christian values, based on the Gospel of Jesus Christ, which regards every person as a unique creation of God with an 'original gift' to offer the world. Our aim is to help pupils to discover the person they are called to be.

In the day to day life of the school, Gospel and British values are evident in the culture of respect and the strong 'family' atmosphere which all our visitors comment on and our staff and pupils value highly. Our values and common purpose has enabled us to create a thriving community who experience a full and balanced education which prepares them to live a fulfilling life and able to grasp all job, career, high education and leisure opportunities which the world offers.

Recruitment Pack for the Position of TEACHER OF MATHS

Crewe is an established town in Cheshire with a population of approximately 84,000. Crewe is known for its large railway junction and its history of manufacturing and overhauling locomotives. Crewe was also the home of Rolls-Royce Motors from 1946 until 2002. The Pym's Lane factory now produces Bentley Motor Cars exclusively.

St Thomas More Catholic High School is located within the parish of St Mary's the Immaculate, Crewe, under the Diocese of Shrewsbury. We work closely with our partner feeder primary schools, St Mary's Catholic Primary School, Crewe; St Anne's Catholic Primary School, Nantwich and St Gabriel's Catholic High School, Alsager. With a PAN of 128 and approximately 650 pupils on roll the school is increasingly oversubscribed.

St Thomas More Catholic High School has an excellent reputation within the Catholic and local community. We are a successful and popular school. Examination results and Levels of Progress are above local and national averages across Key Stage 3 and 4.

St Thomas More was inspected by Ofsted in January 2016 and was judged as a "Good" school. Here are some of the main findings from our recent inspection:

- 'The school has maintained high standards over a sustained period, with an improving trend compared to National figures'
- 'Teachers are effectively monitoring pupils' progress, providing accurate predictions of pupil GCSE results'
- 'The quality of teaching in core subjects of English, Maths and Science is at the heart of pupil enjoyment of learning'
- 'Teachers have high expectations and, as a result, pupils strive to achieve their challenging targets'
- 'Teachers create an atmosphere where pupils are not afraid to have a go and be wrong'
- 'Pupils behaviour is "Outstanding"'
- 'Pupil attendance is above average'
- 'The Governing Body are committed and provide support and challenge, sharing the ambitions of the school'
- 'The Leadership Team has maintained the good quality of education in the school since the last inspection'
- 'The Leadership Team have a clear idea of where the school is strong and where it can improve further'

Welcome from the Maths Department

The Mathematics Department currently consists of four full time and three part time teachers. We are a friendly team who work closely together and as a result are very successful and effective. The department has an excellent reputation both within the school and the wider community.

The Mathematics department is led by an experienced Curriculum Leader and contains a wealth of enthusiastic teachers who are committed to ensuring all pupils both enjoy Maths and develop an in depth understanding of the subject. The department believes in engaging our pupils through a wide range of teaching and learning methods in order to develop their mathematical skills.

Pupils are taught for seven hours within a two week timetable and are grouped according to ability. We have six sets which vary in size from thirty in top sets to a minimum of ten in the lower ability sets. There are four specialist rooms, each with an interactive whiteboard. We also have a Maths / IT room with 30 computers available.

The Maths department has been very successful for many years in preparing pupils for external examinations. We have very high expectations of both our pupils and ourselves in achieving success. We enter pupils for the Edexcel linear exam and have enjoyed a consistently high success rate.

In 2017 all of our pupils passed the new 9-1 GCSE with 79% of our pupils achieving grades 4 – 9 and 28% achieving grades 7 - 9. Achievements of all pupils are valued highly. Pupils with special needs are encouraged to achieve to the best of their ability and have a very good record of success.

We also have lots of extra-curricular activities for pupils to be involved in including:

- We run a Maths club for pupils in KS3 where pupils can play the 24 game or practise their Maths Challenge skills.
- Pupils are entered for the UKMT Junior and Intermediate Maths Challenges. We also enter the Junior and Intermediate Team Challenges with much success.
- A small group of gifted Year 11 pupils attend SCC each week to study Further Maths.
- We take more able Year 11 pupils to Keele University each year to experience the Maths Department.
- We are involved with the FMSP and take every opportunity to involve our pupils in all extension and enrichment activities.

Our school is a welcoming and stimulating environment in which to work and the Maths department offer a friendly and professional team to help you develop your career.

We work together as a team to develop enjoyable and challenging schemes of work. Members of the department are also encouraged to develop their individual skills and areas of interest.

The successful applicant would be expected to teach Maths to all ages and abilities and be able to deliver exceptional results.
