Teacher of Religious Studies

(Salary up to £38,633*)

Required September 2018 (maternity leave)

The Bishop of Llandaff Church in Wales High School

Headteacher's welcome

Thank you for your interest in the **teacher of religious studies (maternity leave)** post currently advertised at the school.

We have one clear aim... to make The Bishop of Llandaff the best school in the country! We want our students to succeed academically, develop the broad range of skills necessary to prepare them for adult life and become outstanding citizens of our ever-changing world. We hope to contribute the happiness of each student by providing them with a first-class platform for the future.

The level of academic achievement at The Bishop of Llandaff is very high. In 2017, the school achieved outstanding examination results at both GCSE and A Level. At GCSE 94% of our Year 11 students gained 5 or more A*-C grades at GCSE, with 85% including English Language and mathematics; 41% of students achieved at least 5 or more A*-A grades and nearly 40% of all grades were at A*-A. At A level, students enjoyed similar success with 100% of students achieving the level 3 threshold and 88% gaining A*-C; 64% of all grades at A*-B and 38% at A*-A.

The students, as you will see for yourself should you visit us, are happy, articulate, hard-working and very positive about the school. They genuinely are an asset to our community and are incredibly friendly. They want to receive a high quality education and to be successful. In addition, we have a highly committed, talented team of teaching and support staff who are both enthusiastic and passionate about providing the students in our care with an exceptional education. Our families are unstinting in their support of the school and our governors provide highly effective support to help strengthen the opportunities and experiences available to all of our students.

We have the highest expectations of/for all who work and learn at the school. Therefore, we are only looking for the finest staff to work with our students. This is what they deserve and, ultimately, it is my role to ensure we find, recruit and develop our staff fully. We do not accept poor performance in any area of our work and we do not aspire for anything short of "excellence". As a consequence of the great relationships between staff and students, incidents of poor behaviour are rare; as a community, we laugh a lot and we really enjoy coming to work/school.

As a school we are genuinely committed to developing the talents of our staff. The school was inspected by Estyn in the spring of 2018 and was awarded "excellent" judgements in every category, one of a few across all schools in Wales. However, while we are very pleased with the feedback, we are committed to continuous improvement and seek to build on this platform. I genuinely believe this post represents an exciting opportunity for someone to join a forward thinking group of staff and help support the school to go from strength to strength.

If you are excited by the prospect of playing a significant role in helping us achieve our ambitions; have a core belief that all students, no matter what their background or ability, can achieve; and have a passion for and clear understanding of providing an outstanding education, then, we would love to hear from you! In return, we will guarantee you the very best level of support, focusing on providing you with the right environment to be the "best you can possibly be".

If you would like to come and see us in action, please feel free to make an appointment with my PA, Leah Pucknell. We are open to visitors every day.

I wish you the very best of luck with your application and I hope to meet you soon!

About the school and role

The Bishop of Llandaff is an 11-18 Church in Wales High School with over 1300 students on roll including 300 in the sixth form. The school is located in picturesque Llandaff and provides a faith-based education to families across the city of Cardiff, as well as neighbouring areas, including The Vale of Glamorgan, Bridgend and Pontypridd. Built in the 1960s, the school site reflects its age. However, while there are some areas of the site which require modernisation, the members of our community which make up the school, we feel, make it a great place to learn and achieve. Furthermore, over the last four years we have invested heavily in technology and made best use of the site despite its restrictions. The school has a very strong reputation and as a result is heavily over-subscribed in all year groups.

In 2018, the school was inspected by Estyn and received 'excellent' judgements in all areas of the common inspection framework. A copy of the report can be accessed via the following link Estyn report

The school has a successful track record of supporting and working in partnership with other schools. As a regional hub within Central South Consortia, the school provides cross-phase programmes covering areas within leadership, curriculum developments and learning and teaching. In addition, the school is an English curriculum hub school supporting secondary schools to help raise standards at key stage 4 and key stage 5.

The Role

Religious studies is a popular subject at The Bishop of Llandaff. Teaching within the department is highly effective and, as a result, standards of achievement across all key stages are at least good. We are looking for a strong practitioner to help raise standards further.

As a faith school we are very proud of the Christian ethos which enriches the entire school community. As you may expect within a faith school, the religious studies department plays a key role in the development of the school ethos. However, as a school, the Christian ethos is not the responsibility of/or confined to the religious studies team. All members of the school are accountable for growing and sustaining the faith of our students and staff. This aspect of school life is led by Gareth Rayner-Williams, one of the school's assistant heads and supported by lan Davies, our school's lay chaplain.

The department is situated on the first floor of A block. Each classroom is fully equipped with interactive technology. The department also includes PSE, Sociology and Psychology. However, there is a separate lead for these areas.

This role would suit a newly qualified teacher, looking for a first post or someone with more experience with an eye on a new challenge. In addition to teaching religious studies, the willingness and ability to offer a second subject, such as Welsh Baccalaureate is desirable.

The existing post holder will be commencing their maternity leave from September. Therefore, we anticipate the successful candidate taking up post on 1st September 2018.

Ethos

As a faith community, The Bishop of Llandaff seeks to be a unique place of learning where students (and staff) develop their God-given talents and gifts. The school is fully committed to the principles of openness and acceptance, tolerance and forgiveness. These values and attitudes help shape the formation of all who work and learn at the school and the uniqueness of each individual is celebrated.

Each year group is made up of at least 180 students, with 150 of these places reserved for foundation places. These are predominantly made up of students from a Christian background. However, there are students who attend the school from all world faiths. In addition, the school reserves up to 30 places for those who live within the community but do not necessarily have a faith background.

As an equal opportunities employer, the school appoints members of staff who, whatever their own beliefs, and backgrounds, will actively support its mission and ethos. The school develops its distinctive Christian character through learning, religious education, prayer, worship and action.

School Mission and Core Purpose

"Our mission is to be a Christian school which welcomes students of all faiths and those with no faith background. We fully celebrate all forms of diversity as we firmly believe this enriches our school and strengthens the bonds between us. We believe that each member of our community is on a path of self-discovery, growing to know themselves "as they are fully known" in the image and likeness of God. We provide a forgiving and loving environment for all our students, where everyone is respected and treated equally.

Our core purpose is to enable all our students to know themselves and to do good in our world by living out our gospel values of LOVE, ACCEPTANCE, RESPONSIBILITY and FORGIVENESS. This environment encourages each student to reach their full potential and nurture God-given talents".

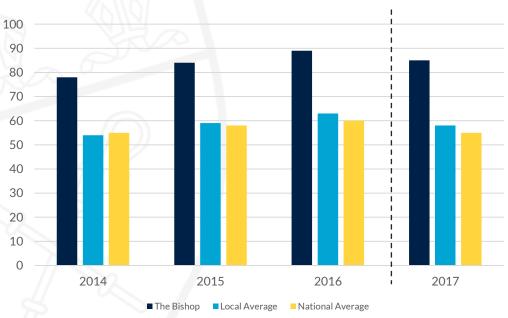

School performance

The Bishop of Llandaff consistently performs above local and national averages at all key stages. We are very proud of the efforts of our students and staff. However, we are not complacent and are constantly seeking ways to improve in the very few areas which are less effective. We work tirelessly to build on our successes and raise performance where needed to help make the school the best in Wales. Performance against most indicators places the school in the top 25% of similar schools (based on free school meals entitlement).

GCSE Results

In 2017, 94% of students achieved 5 or more A*-C grades at GCSE, with 85% including English Language and mathematics. These results, which include our autistic resource base, place the school well above the average performance within the city of Cardiff and nationally.

% 5 or more A*-C including English and mathematics*

*comparative performance prior to reformed qualifications and measures introduced in 2017. Therefore, it is not possible to make meaningful comparisons between old and new key performance measures.

AS/A Level Results

In the sixth form, examination results are very strong. The school consistently performs better than the national average and when compared to similar schools for the indicators against all important indicators. Each year, a high proportion of our students gain places at Russell Group universities as well as Oxbridge. We have a strong track-record of students gaining places to read medicine and veterinary science. Our high quality support helps ensure all students are prepared to progress to university or work.
