

The School

St Paul's Juniors, previously known as Colet Court was founded in 1881 and shares its site with the senior school. The schools are fortunate to have an attractive 45-acre site adjacent to the River Thames. The Juniors has its own teaching block, assembly hall/theatre, library, art room, ICT suites and music school. A drama studio and three fully-equipped science laboratories are situated in a separate building.

There are currently 460 boys in the school between the ages of 7 and 13. The numbers build with three year 3 classes from September 2018 and 6 classes in Years 7 and 8. Boys join the school at 7+ and 8+ and there is also an entry at 11+ for boys from both maintained and independent schools. Entry is by examination and interview, and there are considerably more applicants than places available.

St Paul's Juniors is recognised for its high academic standards but there is also great scope for non-academic pursuits. Our aim is to give every pupil the opportunity to enjoy a broad education and a wide range of activities.

Music, Drama and Art are very strong. There is an impressive variety of concerts, workshops, and plays throughout the year. Parents are invited to many of these events and members of staff are encouraged to attend.

The extensive programme of clubs and activities includes Aikido, Art, Badminton, Basketball, Bridge, Chess, Choirs, Coding, Cookery, Debating, Design & Technology, Drama, Fencing, French, Green Team, Orchestras, Photography, Running, Squash, Street Dance, Swimming, Technical Theatre, and Water Polo.

There is a highly successful and active sports department and the sporting facilities are first-class. In addition to a sports hall and gymnasium, the schools have tennis courts, squash courts, fives courts, rackets court, fencing salle, dojo, fitness room, swimming pool, rowing club and extensive playing fields. All boys play rugby, football and cricket, and a wide range of other sporting activities and options are also on offer.

Great emphasis is placed on pastoral care and support for individual pupils. Form tutors play an important role and help to maintain channels of communication between school and home. There is also an active house system with competitions and events in which boys of different ages are encouraged to work together. All members of staff are affiliated to a house. A dedicated Junior School nurse looks after the medical welfare of the pupils and the School offers the services of a Counsellor and Learning Support teacher to boys where appropriate.

Outdoor education, charity work, links with the community, and spiritual, moral, social and cultural education are all important aspects of the wider curriculum.

There is close consultation with St Paul's in academic and pastoral matters to ensure the benefit of continuity. Some members of staff teach in both schools.
