Message from the Headmaster, Andrew Colpus

Thank you for your interest in St Joseph's College. I am delighted that you are considering our school and I trust that this recruitment pack will provide you with the information you require both about the post and the College.

I believe that this is an exciting time to be joining St Joseph's College. There has been a significant growth in the pupil roll over the last few years and the governors are continually looking to invest in the facilities. The recent development of the College has led it to receive a number of national awards over the last couple of years including the TES Independent School of the Year award 2015/16.

The College seeks to be a school which places an emphasis on providing an all-round education: academic, pastoral, social and spiritual, where pupils develop the attributes of commitment, collaboration, confidence and communication through the various aspects of school life. The College is a very happy place, and colleagues enjoy teaching here.

I hope that you will want to apply for this post. I recognise that much time and thought goes into preparing an application and we, in turn, will give your application serious consideration.

Andrew Colpus
Headmaster

About the Religious Studies Department

Place in the school:

The Religious Studies department is central to the life of St Joseph's as a Catholic School. Departmental staff not only deliver excellent teaching and learning but also play a significant role in how matters of faith and morals are perceived and approached by the community. This includes participation in school liturgy and assemblies, as well as extra-curricular opportunities for spiritual growth among staff and pupils.

Students are exceptional in their reception of this subject and in the questions they pose. The department seeks to share the Christian vision of God's love for each person with staff and students whilst respecting their conscience and recognising that growth takes time. A successful candidate will be someone who can offer guidance and direction to students and who is willing to communicate effectively the teaching of the Catholic Church to young minds. He/she will fully support the Christian ethos of the school in matters of faith and morals.

St Joseph's College has seen a number of significant changes over the past few years. The Religious Studies department is a key player in the ethos of the school and this is an exciting time to be part of shaping an authentic Catholic ethos within a Christian environment.

Awards

It has won several awards over the last two years including TES Independent School of the Year, Outstanding Progress at the Education Business Awards and Outstanding Leadership Team at the Leadership Awards.

Ethos

St Joseph's is a Catholic school welcoming pupils of every faith or no faith. Pupils are educated in an atmosphere where Christian values and standards are recognised and established. The size of our classes means everyone receives the individual guidance and support they need to achieve their potential. Staff, pupils and parents form strong links, with a focus on both the academic progress and the wellbeing of each pupil. We encourage all pupils to develop an awareness of their own role in society.

Points of Entry

The main points of entry to the school are at age 3, 11, 13 and 16. Entry into the senior school is by formal assessment, and around 60% of applicants to the senior school are from maintained primary schools.

Leavers' Destinations

The majority of Sixth Form leavers go on to their choice of university, to study a diverse range of subjects. Examination results are strong and improving year on year, however our focus is very much on producing young adults who also have skills for life such as confidence, social skills and a good understanding of the world around them.

Recent Developments

During the past six years the Governors have taken a number of measures to develop the College. In addition to becoming co-educational these include an emphasis on marketing and a substantial investment in facilities, buildings and staff. Consistently rising pupil numbers provide momentum for growth and the confidence to make further investment.

The Future

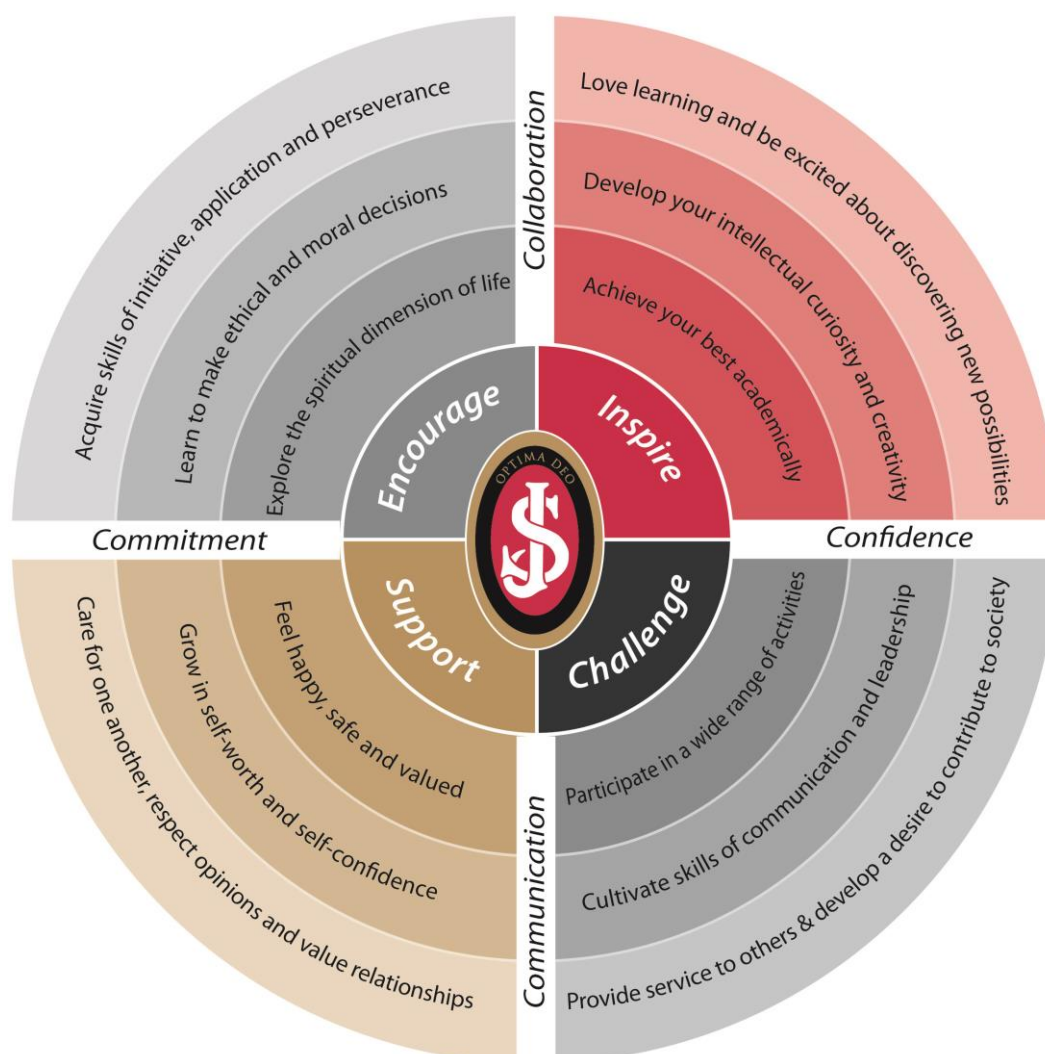

Looking to the future, St Joseph's will continue its ambitious plans to enhance and develop the College. However, we will ensure that as we grow, our caring ethos remains at the heart of the College. The warm and friendly nature, together with the way pupils display concern and respect for one another, are often commented upon by visitors and parents. We are proud of this and it is one of the most rewarding aspects of working here.

Our Mission and Aims

At St Joseph's, our mission is to encourage, inspire, challenge and support pupils to fulfil their potential in a community founded on Christian values.

We aim to develop life skills of commitment, collaboration, confidence and communication in each pupil, throughout each of their years at the school.

The College was inspected by ISI in February 2014
