TEACHER OF PHYSICS (full-time) **Required for September 2018**

We are looking for a well-qualified and enthusiastic teacher of Physics to join our Science faculty. The post could suit an NQT as well as a more experienced candidate.

In 2016, South Nottinghamshire Academy moved into its £10 million brand new school and became part of the successful Redhill Academy Trust. We are an increasingly popular 11-18 school located in the village of Radcliffe-on Trent near Nottingham and in February 2017, we again secured a 'Good' Ofsted judgement in all areas of inspection.

The Academy is also a member of Redhill Teaching School Alliance and as such there are excellent CPD opportunities and the chance to work alongside other high performing schools in the region.

For a discussion about the role, please contact Mrs Sharpe (Assistant Headteacher) on the Academy telephone number.

An application form can be downloaded from our Academy's website or by contacting Mrs J Marks at j.marks@snacademy.org.uk

Successful candidates will be subject to an Enhanced Disclosure and Barring Service check.

Closing date for application: 12 noon Wednesday 14th February 2018
Interview date: w/c Monday 26th February 2018
