Dear Applicant

Thank you for your interest in the role of Temporary Teacher of Art & Design (0.80 to 1.0 fte) at Holy Cross College, Bury. If you are an **exceptional and inspiring innovator in teaching, learning and assessment** then we would love to hear from you whether your background is in the school or college sector.

As a Catholic College for the Community, we welcome staff and students of all faiths. We strive continuously to maintain and further improve our success within a friendly, supportive and caring environment through the commitment and enthusiasm of our dedicated, highly-skilled and experienced staff.

The Sixth Form College has a long track record as a specialist A Level centre with a national reputation. We have a first rate system of pastoral care and support, with specialist tutors to guide our students through their studies and achieve their goals.

We see our students as unique individuals and we do all that we can to encourage students to develop a wide range of interests as well as pursuing their particular gifts and talents – so enrichment is particularly important here. One reason that we are 6<sup>th</sup> in country among Sixth Form Colleges for successful University applications, with significant Russell Group and Oxbridge success, is this broad, enriching approach.

We also run a highly successful University Centre with five partner universities. There are only limited references to this in the Job Pack because our primary need is for excellent A Level teaching, but there is no doubt that this HE element to our work adds something important to the atmosphere at college.

There will be enormous scope, with the highly qualified and positive team we have in place, for new ideas, innovation, and developments in teaching and learning and assessment. Set out below is a job description and person specification relating to this vacancy, together with some additional information about the College. If you have any queries in relation to the post please contact our Human Resources Department on the number shown above.

If you feel you meet the requirements of the post, and are inspired by the prospect of taking up this important role at Holy Cross, so crucial for the college in so many ways, I hope you will apply to join us. Completed applications should be returned to the Human Resources department (by post, email or fax) **by 10.00 a.m. on Friday 15<sup>th</sup> June 2018**.

We ask that you accept, in the interests of economy, if you have not heard from us by the end of June that you have been unsuccessful on this occasion.

Yours faithfully

## Background to the Art & Design Department

Art & Design comprises Art, Graphics, Photography and Textiles and is part of one of our three Divisions, led by an Assistant Senior Manager, which also includes English, Film Studies, It and Computer Science, Media Studies, Modern Foreign Languages, Music and Music Technology, Performing Arts and Physical Education. The Art & Design department consists of four specialist teachers, supported by the Art and Design Assistant and led by the Head of Subject.

Holy Cross is one of the largest A Level art departments in Britain, with over 500 students predicted to be studying A and GCSE Levels in Art, Graphics, Photography and Textiles in the next academic year. Linked to a series of very large off site exhibitions, in recent years its students have attained some of the highest examination results in the country. The core values of the department involve combining ideas with materials, through hard work, inspirational resources and a deep passion for all aspects of Art & Design. The belief that art is a life-affirming, life-changing, learnable, teachable, intellectual and unbelievably exciting way to look at the world is central to our philosophy. It is through the content and context of art and design that the department develops ideas for its teaching learning and assessment. New ideas are juxtaposed, shared, combined and integrated. Art is always the focus.

We currently offer AQA A Level Art, Craft & Design, A Level Graphic Communication, Textile Design and Photography as well as AQA GCSE Graphic Communication and Photography.

We are seeking to appoint an innovative, enthusiastic and hardworking teacher, with a passion for Art & Design, to join our successful team. The successful candidate will aspire to highest standards in an environment that demands collaboration between staff and students and supports all of our courses and range of enrichment activities.

The students' work is at the centre of everything within the department, with support for the personal and diverse nature of this work being key to all decision-making. The department, and more widely the college, remain committed to getting the very best from its staff and students and there are frequent training opportunities allowing staff to update their skills and knowledge.

*'I was made to feel very welcome both by my department and by staff across college. The whole experience is very professional and civilised. Thank you'.*

### **How well do our students achieve?**

Students at Holy Cross Sixth Form College in Bury produced some outstanding results in their A Level examinations; almost half of all grades awarded being A\*, A or B. An initial study of the A Level results indicates:

- An overall pass rate of 98%
- 61 students achieving at least 3 A\*/A grades at A Level
- 48.4% of all grades are grades A\*, A and B
- 21.2% of all grades are grades A\*
- 26 A level subjects achieved 100%

This is based on approximately 950 students taking Advanced Levels at Holy Cross in June 2017.

### **Past and Present**

Holy Cross has its roots in 1878, the year in which a group of religious sisters - the Daughters of the Cross – left Germany as a result of the Kulturkampf and were welcomed by Bishop (later Cardinal) Vaughan to the Diocese and to Bury. Originally there was a small parish school – Holy Cross School – which developed into a Convent school, which grew into a large Grammar School for girls – Bury Convent Grammar School – and, in 1979, Holy Cross College, a mixed Sixth Form College, came into being.

We have grown even further since then, and now have over 2160 16-19 students and a University Centre with 500 undergraduates (and a small number of postgraduates), still on the original site. In 2009 the Daughters of the Cross closed their convent in Bury, and are now under the Trusteeship of Salford Diocese, but we still have important links with the Congregation.

We are very proud of our reputation for academic excellence, and pastoral care. Despite the many changes in post-16 education over recent years, including changes of emphasis in inspection regimes, we are committed to maintaining and developing this reputation, and we aim to provide a safe and secure Christian environment for all our students, respecting those of all faiths. We are also financially very secure – having been rated once again by ESFA as Outstanding in this respect – and have exceeded once again all our recruitment targets and grown strongly.

We are a college with a great past, therefore, and a very secure future!

### **Music and Drama**

The College encourages students (and staff) to take part in the exceptionally wide range of musical and dramatic activities available at College. These include annual musical theatre productions, biennial operas, choirs, the orchestra and small instrumental ensembles. Concerts are given at regular intervals, and there are many theatre visits, international choir trips, choral scholarships and an international artist masterclass series. In recent years we have put on "Sweeney Todd", "Miss Saigon", "Hansel and Gretel", "Phantom of the Opera", "Dido and Aeneas", "The Sound of Music", "The Wizard of Oz", "Fiddler on the Roof", "Les Miserables", "West Side Story", "Oliver" and Shakespeare's "A Midsummer Night's Dream". If you are interested in musical or dramatic activities then you won't be disappointed.

### **Sport**

At Holy Cross we also have high sporting reputation and offer a wide range of activities for students to enjoy at recreational and/or competitive level. British Colleges Sport, North West Colleges and governing body competitions are entered and we have college teams in football, rugby, netball, hockey and basketball, badminton, tennis, athletics, table tennis, golf, trampolining, cross country and swimming. Facilities on site include a Sports Hall, recreational area and free use of a gymnasium (where personal training programmes can be devised), staff football and badminton.

### **Religious Education**

As well as being involved in many areas of College life, the RE Department also teaches the General RE course, which all students attend for one lesson each week. The course covers a wide range of topics, always with the idea of helping students to explore their faith, philosophical and ethical issues, the world around them and understand better their own human nature.

## **Chaplaincy**

We have a full time Lay Chaplain (our local Parish Priest is our Priest Chaplain and indeed we are fortunate to have many local priests coming to celebrate Mass for us, usually on a weekly basis and for Holy Days.) The Chaplaincy is available to all and runs many activities – in addition to Morning Prayer, Adoration and Meditation opportunities there are voluntary opportunities for retreats (including an annual Staff Day Retreat) and the annual pilgrimage to Lourdes to help the sick, with the Diocese of Salford.

As stated in our Mission, we welcome staff of all faiths. Colleagues celebrate religious festivals and particular events in the college calendar, for example, the start of a new college year, by joining together for Mass.

## **Caring for our Students**

Pastoral care is a major priority at Holy Cross and underpins all that we do. We aim to support students throughout their time with us and to help them to make the right decisions when they leave us. Senior Tutors keep a careful watch on individual student progress and are also someone for students to turn to if they have difficulties.

Discussions relating to academic progress take place regularly between students, Subject Tutors and Senior Tutors, and Action Plans which arise from these discussions give students and their parents valuable information on what students need to do to achieve their full potential. All of our staff have a role in caring for our students.

## **Private Study**

All students have time when they are not timetabled for lessons and we encourage them to make good use of this. We have fantastic new Library staffed by professional chartered Librarians providing a wide range of facilities such as online resources, E-books, 16 networked computers plus 20 wireless networked laptops and study facilities and, of course there are books.

The College's Open Access I.T. suite contains over 80 PCs in a state-of-the-art, air conditioned environment, available for use during term time.

The Learning Support Department, to which all students have access is based in the Marie Therese building. There are areas which students can use for private study, which are sometimes staffed, and a number of smaller subject resource areas.

## **Parents**

Our partnership with parents plays an important part in our success. There are parents' evenings and written reports, and we make individual contact with parents if there is a problem. Parents are welcome to contact staff at any time.

## **College Structure**

The Structure of the College would fill a complete booklet of its own, but in simple terms there is the Principal, a Deputy Principal and five other members of the Core Leadership Team. There are also three Assistant Senior Managers who are responsible for our large number of Heads of Subject and an even greater number of subject teachers, as well as a number of our Senior Tutors (Pastoral). There are also a wide range of non-teaching posts and posts of responsibility held by staff in addition to their normal roles.

## **University Centre**

In addition to our sixth form work, the college has for the last ten years had a University centre. Currently we have around 600 students, some full time and some part time, although most teaching is focussed in the afternoon and evening. We collaborate with four partner universities, Liverpool Hope, St Mary's University College, Newman University and Edge Hill and students generally take BA, BSc or MA degrees with a small number also doing Foundation degrees. In the future it is hoped that there may be some joint appointments with our partner institutions, and some opportunities for interested sixth form staff to teach at least to level C on degree courses. Applicants

holding doctoral level qualifications, with research interests, would clearly be particularly suited to such possible future developments.

## **Unions**

The Unions recognised by the Governing Body are: UNISON, NEU (NUT/ATL), NASUWT and ASCL. The Principal holds regular meetings with the College Union representatives.

## **Miscellaneous**

The college operates a no-smoking policy across the entire college site.

Holy Cross is located in Bury, Greater Manchester. To read about our town please view:

Alternatively the 2 periods can be split to make 2 late starts or early finishes. We do realise that most staff will prefer an early finish, so staff timetables will be altered year on year, to be as equitable as possible.

Heads of Subject teach 23 periods out of 35 each week, with 2 periods for Head of Subject duties and 8 periods allocated to on-site preparation and marking (2 for personal time as per above).
