## Curriculum Director (English) - Maternity cover

Full Time, Fixed Term, one year

We wish to appoint an exceptional English practitioner who will use their experience, extensive subject knowledge and vision to deliver ambitious and high quality learning and teaching opportunities.

This is a truly exciting opportunity for an existing or aspiring head of English to take on a new role taking the delivery of English one step further in the Academy and, as part of a Curriculum Directors' leadership team, across the Federation.

In this role, you will lead the English department for one year; during which we are looking for you to make a real impact, developing a curriculum that secures opportunities for students to make progress in each year at school.'

The value and status we give to the role of Curriculum Director is reflected in:

- an enhanced curriculum directors' pay scale;
- a timetable commitment of 50%;
- an opportunity to contribute to curriculum development across the Federation as part of the Curriculum Directors' Group;
- an enhanced professional development programme.

Our goal is that through this role and the associated development opportunities, further leadership opportunities would be forthcoming. Our current Curriculum Director is unlikely to be on leave until October providing a significant opportunity for handover and collaboration.

If you feel that this position is of interest and you have the right experience, skills and are ready for fresh challenges, with the ambition to make a real impact then we'd like to hear from you.
