Manor Park is a vibrant, thriving and successful school with a strong inclusive ethos. As we continue on our exciting journey from 'Good' to 'Outstanding', following the promotion of our previous Deputy Headteacher to headship at a local school, we wish to strengthen our dynamic and innovative senior leadership team by appointing two outstanding Deputy Headteachers. We are looking for experienced senior leaders at assistant or deputy level, who will be non-class based and will lead on teaching, learning and assessment across the school. Accelerating attainment and progress for all pupils will be a key priority, by continuing to raise the quality of teaching and learning across the school to eliminate any inconsistencies in provision, increasing the proportion of outstanding practice. Other key tasks will be using expertise within the school to cascade excellence, through developing and leading a rigorous and supportive coaching and mentoring programme for all staff, including initial teacher training participants and apprentices.

These talented people will:

- believe that children should be at the centre of everything that they do
- be inspirational leaders, able to show experience of successful strategic leadership and management within a school
- be outstanding classroom practitioners with a commitment to working collaboratively, support and develop both themselves and colleagues to drive standards in our school
- have a clear understanding of what constitutes outstanding teaching, learning and assessment to ensure that all our children get an outstanding education
- have a passion for engaging children, staff and parents in learning
- be good at working in and building teams and partnerships in and outside school
