

July 2017

Dear Candidate

Re: Appointment of Headteacher – Frogmore Community College

Thank you for your interest in the post of Headteacher at Frogmore Community College. Our Headteacher, Sarah Howells, is moving on to take up the headship of a larger school and the governors are seeking to appoint her successor with effect from January 2018, or as soon as possible thereafter.

We are extremely proud of our College and this is an opportunity for an aspiring leader to utilise their experience to guide us through our next phase of life. Ofsted noted in its report following its inspection of the College in January this year, that we “have successfully established a culture in which everyone works tirelessly to improve pupils’ outcomes”. At the same time, we have a track record of building strong, productive relationships, not only with our own students, their parents and carers, but also with the wider community and neighbouring schools.

We are looking for an inspiring leader who believes in the ethos that we hold to, and will rise to new challenges to do whatever it takes to see students develop to their full potential. The right candidate will find this appointment extremely rewarding and a fantastic opportunity to develop their own career and make a difference in our community.

You are welcome to visit Frogmore for an informal tour when our current Headteacher will be available to answer questions. Please contact the PA to the Headteacher, Mrs. Amber Walker from 4th September onwards, on 01252 408444 or via her email, walkera@frogmorecollege.co.uk to arrange this.

The closing date for applications is midday on Monday 11th September 2017. Interviews are scheduled for Thursday 21st and Friday 22nd September.

Applicants called for an interview are kindly requested to contact their referees so that references are received in advance of the interview dates.

I look forward to receiving your completed application.

Yours sincerely

Stephen Colclough
Chair of Governors
