If you feel you have the skills, experience and drive to help support our aims then please do read on.

Jo Nolan – Executive Principal

Introduction to Kirk Balk

Kirk Balk Academy is an 11-16 mixed comprehensive school situated in Hoyland, approximately six miles south of Barnsley. It serves the communities of Hoyland, Hoyland Common, Elsecar, Platts Common, Blacker Hill, Jump, Birdwell, Pilley and Tankersley, which were traditional mining villages before pit closures. Hoyland village has a small shopping centre and covers an area of about three square miles, with a population of approx.17,000.

There has been relatively little social movement or change in the areas and consequently there is a strong feeling of continuity and identity. Children are likely to have had parents and even grandparents who also attended Kirk Balk.

Kirk Balk has good rail and road links, and is within easy reach of Sheffield, Huddersfield, Leeds, and Wakefield, located minutes from J36 of the M1 motorway. There are beautiful country areas and parks within a short distance, the Peak District and other parts of Yorkshire are easily reached.

Kirk Balk is proud of our tradition of encouraging young people to succeed not only in the classroom, (where examination results have steadily improved over the last decade), but also in other spheres including Sport and the Arts.

Eight years ago Barnsley initiated a re-organisation of its secondary stock, with some schools merging and all becoming new builds. Kirk Balk has stayed within its locality and simply moved into a new building in April 2011. The building took the staff, head teacher, local officers and architects over three years to plan, and a further 20 months to complete.

With every room and facility purpose built, Kirk Balk is a great environment in which to teach and work. Over £30 million has been invested in making a bright building that gives the local community every chance for success. The spaces in the building provide opportunities to teach in rooms that are larger than the average classroom, with Smart Interactive Whiteboards providing scope for multi-user kinesthetic learning at a touch.

There are a number of specialist areas in the building including a four-court sports hall, a super lab, 12 ICT suites, 2 drama studios, a lecture theatre, a construction centre, an industrial engineering room, a catering kitchen and spaces to allow students to continue their studies independently.

Northern Education Trust

Kirk Balk converted to an Academy on 1st March 2015. The sponsor is Northern Education Trust.

Northern Education Trust is a not-for-profit education charity who are the sponsors. They are developing into a nationally recognized and trusted academy sponsor with an excellent reputation. Northern Education Trust will provide direct expertise and support on curriculum development, teaching and learning, leadership and organisational effectiveness and performance management.

DISCLOSURE AND BARRING SERVICE (DBS)

(FORMERLY CRIMINAL RECORDS BUREAU - CRB) DBS

IDENTITY CHECKING GUIDANCE FROM 01 JULY 2014

In September 2012 the Disclosure and Barring Service (DBS) introduced enhancements to DBS identity checking guidelines. These guidelines applied to all applications for a DBS check.

The Government's enhancement to the DBS's identity verification guidelines was introduced to strengthen the process used by Registered Bodies for validating applicants in order to improve public protection. In particular, the changes, which were a government priority, made it more difficult for individuals to conceal previous criminal records by changing their identity. Therefore, the focus was on requiring applicants, in the first instance, to produce documents that they would have acquired having undergone stringent identity verification with the document issuer, such as the Identity and Passport Service or the Driver and Vehicle Licensing Agency.

The new ID checking process involved three routes and incorporated a new external ID validation check to be used by Registered Bodies for applicants who were unable to provide **Group 1 Primary Identity Documents (Route One)**.

Further to the September 2012 enhancements, on the 01 July 2014, an Adoption Certificate (UK and Channel Islands ONLY) and the EU photo card driving licence were both added to the **Group 1 Primary Identity Documents**. Therefore the 'List of Valid Identity Documents', which appears at the end of this document, has been updated to reflect these additions.

Route One

All applicants must initially be considered for Route One.

Can the applicant produce a Group 1 document? If yes, then the applicant must produce 3 documents:

- 1 document from Group 1 (**refer to list of Valid Identity Documents**); **and**
- 2 further documents from Group 1, 2a or 2b; one of which must verify their current address.

**If the applicant has satisfied this route, then the document check is complete.
If the applicant cannot produce a Group 1 document then go to Route Two.**

NOTE – EEA Nationals (Non-UK):

Where an EEA National has been resident in the UK for five years or less, the Registered Body should validate identity via Route One through the checking of a Current Passport or Current UK Driving Licence (photo card only) plus 2 further documents.

In the absence of a Group 1 document the Registered Body must satisfy themselves of a valid reason for using Route Two.

NOTE - Non-EEA Nationals:

All Non-EEA Nationals should be validated via **Route One only**.

Route Two

The applicant must produce:

- 3 documents from Group 2 comprising of;
 - 1 document from Group 2a; **and**
 - 2 further documents from Group 2a or 2b; one of which must verify their current address.

and

- The organisation (Barnsley MBC Human Resources Safeguarding Team) conducting the ID check will then need to ensure an appropriate external ID validation service is used to check the applicant against their records to establish the applicant's name and living history footprint.

If you have tried to use Route Two, but have been unable to validate the applicant's identity successfully, you may consider proceeding to Route Three.

Please be advised that Route Three should only be used in circumstances once you have fully explored with the applicant why their identity has not been successfully validated via Routes One or Two. To do this, the Manager/Head teacher should hold a probing discussion with the applicant about the likely reasons why their identity has not been validated **before** considering using Route Three. The Manager/Head teacher should keep a record of this discussion for internal purposes as it is the Registered Body's responsibility to establish the true identity of the applicant through the examination of a range of documents as set out in this guidance.

Should you still be unable to validate the applicant's identity using Routes One, Two or Three, then the applicant will need to be sent for fingerprinting by the Police, which you should be aware is likely to cause delay to the DBS application process and subsequently to your recruitment processes.

Route Three

ALL Registered Bodies must have exhausted Route One and should have endeavoured to have accessed an external validation check (Route Two) before you consider processing them through Route Three.

If the applicant cannot meet the requirements of Route One and Two, the Manager/Head teacher should have had a probing discussion with them to establish why they could not meet these requirements and whether there has been a recent or previous change of name that has **not** been declared.

For Route Three, the applicant must produce:

- Birth certificate (UK and Channel Islands) – (issued after the time of birth by the General Register Office/relevant authority i.e. Registrars – Photocopies are not acceptable)

and

- 4 further documents from Group 2 consisting of:
 - 1 document from Group 2a; **and**
 - 3 further documents from Group 2a or 2b; one of which must verify their current address.

If the applicant fails to produce the required document set at Route Three, they will need to be sent for fingerprinting by the Police which you should be aware is likely to cause delay to the DBS application process and subsequently to your recruitment processes.

Validity of Documents

Managers must check the in-date passports/travel documents of their prospective employees. However, if the prospective employee does not have an in-date passport/travel document showing their permission to remain in the United Kingdom*, Managers can accept evidence of permission to remain in the UK – and therefore right to work - in an expired passport or travel document. It is crucial that Managers check that the stamp or endorsement in the passport/travel document continues to allow the person to work by virtue of status (i.e. the person's stay is indefinite) or date (the end of the person's permitted stay has not expired).

Managers are advised to see any prospective employee's current passport/travel document. If Managers have to rely solely on an expired passport/travel document containing evidence of the prospective employee's permission to remain in the UK, particular care must be taken when examining photographs and comparing these with the current appearance of the prospective employee. Also, Managers should have regard to the date of birth on the expired document and be satisfied that this is consistent with the current appearance of the prospective employee.

The validation of a Certificate of Entitlement to the Right of Abode must be endorsed in a valid passport.

Documentation from this list indicates that the applicant has limited leave to be in the UK and checks should be repeated on the employee at least once every 12 months (or sooner depending on the expiry date of the document) until they provide a specified document, or documents indicating that they can remain permanently in the UK from List A, or until they leave employment:-

B01 A passport or travel document endorsed to show that the holder is allowed to stay in the UK and allowed to do the type of work in question.

B02 A Biometric Residence Permit issued by the UK Border Agency to the holder which indicates that the person named in it can stay in the UK and is allowed to do the work in question.

B03 A work permit or other approval to take employment issued by the Home Office or the Border and Immigration Agency when produced in combination with either a passport or another travel document endorsed to show the holder is allowed to stay in the UK and is allowed to do the work in question, or a letter issued by the Home Office, the Border and Immigration Agency or the UK Border Agency to the holder or the employer or prospective employer confirming the same.

Validity of Documents

Managers must check the in-date passports/travel documents of their prospective employees. However, if the prospective employee does not have an in-date passport/travel document showing their permission to remain in the United Kingdom*, Managers can accept evidence of permission to remain in the UK – and therefore right to work - in an expired passport or travel document. It is crucial that Managers check that the stamp or endorsement in the passport/travel document continues to allow the person to work by virtue of status (i.e. the person's stay is indefinite) or date (the end of the person's permitted stay has not expired).

Managers are advised to see any prospective employee's current passport/travel document. If Managers have to rely solely on an expired passport/travel document containing evidence of the prospective employee's permission to remain in the UK, particular care must be taken when examining photographs and comparing these with the current appearance of the prospective employee. Also, Managers should have regard to the date of birth on the expired document and be satisfied that this is consistent with the current appearance of the prospective employee.

The validation of a Certificate of Entitlement to the Right of Abode must be endorsed in a valid passport.
