MESSAGE FROM THE CHAIR OF THE GOVERNING BODY

De La Salle Eccleston is a school primed and ready for rapid and exciting change to which the whole school community is totally committed.

We have all the necessary potential to become an outstanding school: pupils who are well behaved and eager to learn; parents who challenge the school, support it and wish to actively engage in its need for rapid progress; leadership and staff who are also absolutely committed to making the rapid change the school seeks. Our recently developed Mission Statement to "Pursue Excellence" supports this.

Recently, we have undergone an impressive £20 million rebuild resulting in an attractive and stimulating environment designed to facilitate learning spaces within which pupils can grow to their full potential as fully rounded responsible citizens.

Our school is very much part of our local community who are welcome to use our brand new state of the art facilities, and we would aim to build on and develop these links.

Governors are active members of the school community, working closely with senior leaders; the Local Authority and the Archdiocese, and are wholly committed to ensuring positive outcomes for all students.

We are a Catholic/Lasallian school, which puts Christ at the centre of all we do, and base our ethos on the tenets of the "Lasallian Framework".

Through our liturgical and religious provision, we offer the whole school community the spiritual and moral guidance to grow as individuals, and to give generously to those in greater need throughout the world.

The school actively engages with the worldwide network of Lasallian schools and particularly enjoys Lasallian pupil exchanges with Valladolid, Spain and Bordeaux, France.

Thank you for your interest in our school, and we look forward to hearing from you.

Teresa Sims
