Values Based Education

January 2018

Dear Sir / Madam

Re: Post of Subject Leader for Geography (MPS + TLR 2.1)

Thank you for your interest in the above position.

Holywell School is a 9-13 Church of England Middle School. We provide a Values-based education where we encourage all members of our community to Enjoy, Excel, Achieve and Care. At Holywell, our vision is to be an outstanding Christian learning community where everyone is valued as a unique individual and where everyone feels safe. We will aim to be the best we can possibly be, to treat others as we wish to be treated and to make a positive difference to our community and beyond. We strive to be peaceful problem-solvers with open minds and hearts, living God's love and being kind.

We have a secondary approach to our curriculum delivery with specialist teachers providing engaging, challenging and inspiring lessons across all four year groups. The advertised position will entail teaching Geography to students in Years 5-8. We have excellent Geography resources and, although the subject leader teaches the majority of the Geography lessons in school, there are other members of staff who have Geography on their timetables. All teachers have a tutor group with whom they deliver PSHCE lessons. The start date for the position is the 1st September 2018.
