

MESSAGE FROM THE HEADTEACHER

We are delighted to welcome you to Coombeshead Academy, a happy and vibrant school located in beautiful South Devon. We have a long established reputation for traditional values, academic achievement and providing an outstanding student experience. Underpinning our belief that every child should be happy and successful are our school values of academic achievement, attitude, community, endeavor & enrichment.

We support our students to become confident and resilient young people, ready to make a significant positive difference in a changing world. Fantastic academic results open the door to great opportunities and the distinctive features of a Coombeshead Academy student are their ambition, commitment and self-confidence. We foster these attributes through an extensive programme of co-curricular and leadership opportunities for all students.

We are well known for being a school with exceptional pastoral care and this is shown by our excellent relationships between the staff and the students and between the students themselves. Visitors to our school are always impressed by our students and their outstanding attitude towards their learning.

By ensuring that learning at Coombeshead Academy, both inside and outside of the classroom, is stimulating and knowledge rich, we provide our students with the knowledge, skills and confidence to thrive once they leave us.

We have a strong track record in supporting students to achieve their first choice University and pride ourselves on the success of our alumni.

In January 2016 we were founding members of the highly successful Education South West (ESW) Trust. We are now part of a community of education professionals whose approach is one which combines the highest expectations with a sensitivity to learners' individual needs, concentrates on maintaining the very best standards of learning and teaching and takes every opportunity to recognise and reward achievement. As part of this we are at the forefront of educational development being directly linked to an outstanding teaching school and one of the first schools to be awarded research school status.

Do come and visit us to find out more about what makes Coombeshead Academy so special. We look forward to meeting you.
